To The Collector
Gangain District
Telegraph.

Sir, Under instructions from the Rajah of Parlakemidi I have the honor to request that you will kindly arrange for an application to be sent to the Government of India for a line of telegraph to be put alongside this railway on the usual terms. Such a line is absolutely necessary before the line can be opened for traffic and it would be very useful now during construction, our line of wire would, I think, be sufficient with instruments at Kanpade Station, Tumbur and Parlakemidi.
