The Consulting Engineer for Railways,

Madras.

SIR,

With reference to your letter No. 1423 of the 5th instant, I have the honour to submit a revised schedule of Superior Establishment for 1899-1900 for the Calicut-Cannanore Extension.

As it is not known when the construction of the Shoranur-Cochin line will begin, the Chief Engineer is unable to show the proportion of Mr. French's salary chargeable to the Calicut-Cannanore Extension as desired by you, and Mr. Stoney has consequently entered the whole of it against this account. An adjustment can be made when the Shoranur-Cochin line is begun.

I have the honour to be,
