READ—

Sections 3 (4), 16 (2), 47 and 148 (1) of the Indian Railways Act (IX) of 1890.

Government of India, Public Works Department, notification No. 480 $\frac{1}{2}$, dated the 30th October 1890, publishing—in Part I of the *Gazette of India* of the 8th November 1890—the Government of India resolution No. 736 R. T., dated the 17th October 1890, and the General Rules therewith promulgated for working railways under construction and not used for the public carriage of passengers, animals or goods.

Letter from the Senior Government Inspector of Railways, Madras, No. 2217, dated the 18th July 1899, forwarding letter from the Agent, South Indian Railway Company, No. 697, dated the 14th July 1899.

OBSERVATIONS.—The Agent of the South Indian Railway Company has applied for leave to adopt the General Rules for working railways under construction and not used for the public carriage of passengers, animals or goods, which rules were published in the *Gazette of India* of the 8th November 1890, under Public Works Department notification No. 480 $\frac{1}{2}$, dated the 30th October 1890, on the Cuddalore wharf, and Tuticorin salt, sidings of that railway.

RESOLUTION.—The Governor General in Council is pleased to sanction the application of the General Rules which are referred to in the foregoing observations to the Cuddalore wharf, and Tuticorin salt, sidings of the South Indian railway which have been sanctioned for construction.

ORDER.—Ordered that the General Rules, which have already been published in the *Gazette of India* of the 8th November 1890, be further notified to the railway servants and to the public by a copy thereof being kept open to inspection free of any charge in the office of the engineer in charge of the construction of the railway.

Ordered, also, that this resolution be communicated to the Government of Madras, for information and guidance, and that it be published under a notification in Part I of the *Gazette of India*.
