EXAMINER'S REPLY.

Extract to A.M.

The allocation of the cost of gates and gate lodges appears open to question. From the plan it seems that one gate and one gate lodge should be charged to "Fencing" and two gates and one gate lodge to "Level crossings", at any rate each gate and its lodge should go to the same head.

Otherwise the estimates, which require the sanction of the Local Govt. are correct as to allocation.

Funds are available from the provision in Schedule B of the Budget Estimate for 1899–1900.
