The details have been checked by your Accountant and I enclose for your information and return the Office Copy of our Summaries which have been passed by him. Similarly if the present claim should be found insufficient an amended claim will be submitted.

On this understanding, I have the honour

to request that you will be good enough to arrange for the very early payment of the amount of the enclosed bill and to favour me with an advice, not later than 2nd September, as to whether the amount will be paid to us before the 10th idem, failing which the Provident Institution will require to sell some securities in order to provide funds for the purchase of Bombay Port Trust Debentures our tenders for which have been accepted.
