Sir

I have the honor to request you will have the goodness to forward my application for 2 months leave to Bangalore on Private affairs under section VII of the absentee Rules. My reason for submitting this application is to obviate if possible the necessity of my taking leave for a longer period on medical Certificate, as I have been suffering much for the last 3 weeks from the effect of a fall from horse-back. I have had no leave of any sort for the last 26 months, & the short leave I had previously to joining my former appointment in Malabar was owing to my being misinformed as to the time allowed me for joining my station at Calicut, & which was explained at the time. I trust therefore that this may not stand in the way of my present application.

I have the honor to be
