Rev. Sept.

No. 64.

Henry Rickards Esq.

Commissioner for the revision of
Civil Salaries and Establishments
throughout India.

Sir,

In that part of
your report which treats
of the Madras Secre-
tariat you have quoted
me as having given
an opinion that the
labors and responsibi-
lities of a Secretary
to a Governor in Coun-
cil, and to a Governor
without a Council,
would be the same.

As

As this statement
does not give my
opinion, and, I think,
inaccurately represents
what I said when you
did me the honor
to ask for it, I take
leave to address you
upon the subject.

In the letter
which I addressed to
you on the 28th of April,
I said that, never
having been Secretary
to a Governor without
a Council I had
had no actual experience
of the labor and res-
ponsibility of the post,
but that I could not
imagine that, even
under the most favorable
circumstances

²/₁₅₆ circumstances, they could
be less than those attach-
ing to a Secretary to
a Governor in Council,
and that both labor
and responsibility
would be increased
if the Governor
without a Council
had not been long
versed in the civil
administration of
this Presidency, and
were not practically
acquainted with
all its administrative
details.

My meaning
therefore was that if
a Member of the
Civil Service were
appointed Governor
of

of Madras the labor
and responsibilities of
his Secretaries might
possibly remain un-
changed, but that,
under any other cir-
cumstances, both must
be increased by the
abolition of the Council.

In requesting
that you will do me
the favor to correct this
part of your report,
I beg that you will
believe how sensible
I am that an inaccur-
ate representation of
my opinion has been
wholly unintentional
on your part.

Wm. St. Leo.

To

and Settlements
Mysore - District
Dated 14th August 1857

Referring to
Consent that part of
the Commission's Report

that the labour and re-
-production of a double
-ry to a Governor without
-cil and to a Governor
without a Council would
be the same.
