No. 6229.

Memorandum.

The Military Board beg to represent to the Secretary to Government in the Revenue and Public Works Department that it would be a convenience if, in addition to the printed copies of the Resolutions of Government, printed copies of the Board's letters to Government on which the Resolutions are passed, could also be sent down to the Board, and as the transactions in nearly all branches of the Secretariat appear now to be printed, the Board hope that this application may be complied with as a great means for facilitating the Board's duties.

2. The Board will feel obliged for the copies of their letters and Resolutions, if convenient.
