# *Fort Saint George, Revenue Consultation of 13th January 1857.*

No. 51. Read the following letter from J. D. SIM, Esq., Acting Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department, dated Fort Saint George, 22d December 1856, No. 4887.

Sir,

Agreeably to the orders contained in para. 14 of Extract Minutes Consultation No. 421, dated 5th May 1854, directing the transmission of half yearly Returns of dismissals of Public Servants who may have been on the receipt of monthly salaries above 10 Rupees, I am desired by the Board of Revenue to forward the accompanying\* original Returns received from seven of the Collectors under their controul, for the first half of the current year ending 30th June last.

2. By referring to the annexed abstract it will be seen that Returns for that period have not yet been received from the Districts of Masulipatam and Vizagapatam, and for the second quarter from that of Ganjam. The Collectors have been reminded of this omission, and the Returns when received will be laid before Government, if necessary.

3. From those now sent it appear that such dismissals as require to be reported to Government have occurred in 7 Districts including Madras.

## ABSTRACT.

| Districts.                              | First Quarter ending 31st March 1856. | Second Quarter ending 30th June 1856. | Total. |

which these returns were directed to be submitted is to a great extent nullified by the great delay which is allowed to take place in their submission. The Board will take measures to ensure their more prompt transmission by Collectors, and also to prevent delay in their onward office. A Collector's return ought certainly to be despatched within five days after the close of the quarter, and the Board's report should be before Govt. within a month from the end of the half year.

and they request the  
Board to call the atten-  
-tion of the <sup>acting</sup> Collector to  
these two cases, and ascer-  
-tain how they have since  
been disposed of.

7. In the same  
return it is also seen that  
the Head ~~man~~ of the sub-  
Collector's Office, after a  
service of above twenty  
two years, has been dis-  
-missed for gross ineffi-  
-ciency in the discharge  
of his duties and disobe-  
-dience of orders. It  
appears strange that  
after this length of  
service a man should  
have incurred such a  
punishment for such  
a fault, and the Govt.  
can

can hardly suppose that  
the extreme measure  
of dismissal can have  
been really necessary.  
The Board will as-  
-certain the particulars  
of the alleged neglects  
and will then report  
to Govt. whether re-  
-moval to another  
Post requiring less  
constant activity of  
intellect, would not  
be a sufficient punish-  
-ment.

8. The Govt. must  
also call the atten-  
-tion of the Board  
of Revenue to the  
Tanjore Return  
for the second quarter  
of the year, which  
contains a number  
of cases of persons  
imprisoned for certain  
periods, and many of

suspension for an  
indefinite term. The  
cases assigned for  
these punishments  
seem inadequate in  
several cases, especially  
in the three in the  
Sub Collector's Office,  
and the first two in  
the Head Assistant's  
Office, and the single  
case by the Assistant  
Collector. The Board  
will ascertain more  
particularly the  
grounds of the sentences,  
and pass such orders  
as they may deem  
necessary.

7 In 3 of the  
reports it is observed  
that in the column  
in which the offences  
involving suspension  
or dismissal should  
be

stated, and if  
dismissed.

be stated, and if  
dismissed, much better  
proceedings not before  
the Government. In  
such cases it is necessary  
that in future  
a note of explanation  
should be appended  
in the Board's Office,  
showing the cause of  
dismissal.

10 From some of  
these Statements it  
appears that the  
practice still pre-  
vails in certain  
Districts of dating  
periodical Returns  
with the last day  
of the period to which  
they refer, instead  
of with the day of  
despatch. The Board  
are requested to call  
the attention of Collectors  
again

again to this subject,  
and to cause due re-  
gard to be paid to it in  
their own office, so  
as to put a stop to  
this practice of pre-  
tensions dating
