Fort Saint George, Revenue Consultation of 13th October 1857.

No. 31. Read the following Extract from the Minutes of Consultation, in the Public Department; under date the 25th September 1857, No. 1370.

Read the following Official Memorandum from the Accountant General,

Enquires whether the work executed in the Fort Saint George Gazette for the different Departments of the Government Office should be verified by the Secretaries, or by the Registers of the several Departments. (Here enter 11th September 1857, No. 153.)

It appears to the Government to be very desirable that the Statements of Printing and Book binding executed at the Fort Saint George Gazette Press on account of the various Public Offices should be verified by the Heads of the Offices, and though this has not hitherto been the practice, they think it would be an improvement on the present to require such verification. They therefore accordingly to direct that the Statement of the work executed for the several Public Offices from future be duly verified by the Heads or their Deputies or Assistants, or any servant on their Establishment whom they may appoint to undertake this duty.

(True Extract.)

(Signed) E. MALTBY,
Acting Chief Secretary.
