Fort Saint George, Revenue Consultation of 20th October 1857.

No. 12. Read the following Extract from the Proceedings of the Board of Revenue; dated 11th September 1857, No. 3031.

Read letter from the Acting Collector of Masulipatam, dated 27th May 1857,* relative to the enams claimed by the town Cauzee as belonging to his office.

* *In Cons. 11th September* 1857.

(Here enter No. 92.)

1. Resolved that the foregoing letter be laid before Government, with reference to Extract Minutes Consultation dated 20th August 1856, No. 882, R. D.

From the Acting Collector 30th April 1856.
To Government 30th June and 7th July 1856.

2. With the letter recorded above, the Acting Collector submits the original bills of sale of the enam lands which formed the subject of the correspondence noted in the margin.

3. Two of these documents are *in favor of* Noor Nissa Begum, mother of the "Nawab of Masulipatam," and were executed respectively in 1839 and 1840, for 12 cutties of enam forming the Nerkepolliem Kundrega which was purchased for Rupees 2,835-15-0.

4. The other deed is *in favor of Somayajooloo* Soobiah and was executed in 1838, for Rupees 431¼ by the last surviving son of Syed Meer Ahmeed, who was the last Cauzee that enjoyed these two enams.

5. The purchasers have paid considerable sums of money and have had possession for the last 18 years, and although the original grants may seem to be of a doubtful character, yet, as the purchases appear to be bonâ fide transactions and were made previous to the order prohibiting the alienation of enams, the Board are of opinion that the present holders should be left in undisturbed possession during their lives, subject however to the result of any general investigation into enam tenures which may hereafter be instituted.

No. 13. ORDER THEREON, No. 1054; dated 14th October 1857.

The report on the Nerkepollem and Choragoody Enams, furnished the above proceedings, has satisfied the Government that no immediate measures can be taken with respect to them. The lands were sold in the years 1835, 1838, and 1840; the sales are represented to have been bonafide transactions, and the purchasers have continued in possession ever since. Under these circumstances, the Government think with the Board of Revenue that the present holders should be left in undisturbed possession during their lives, subject to the result of any general investigation into Enam tenures that may hereafter be instituted.

(Signed) H. FORBES,
Acting Secretary to Government.
