No. 14. Read the following letter from L. FORBES, Esq., Acting Sub-Secretary to the Board of Revenue; to H. FORBES, Esq., Acting Secretary to Government Revenue Department; dated Fort St. George, 4th September 1857, No. 2961.

SIR,

With reference to Extract Minutes Consultation dated 10th June 1857, I am directed by the Board of Revenue to submit for the approval of the Right Honorable the Governor in Council the following revised rules for the issue of Cloth Belts to the Peons in the Revenue, Judicial and Public Works Departments, drawn up in accordance with the remarks of Government on the subject.

RULES.

Rule 1.—Cloth Belts shall be supplied only to Peons of the superior classes such as Jemadars, Duffadars and Deloyets, who may be attached to Collectors and their Assistants, District, Executive and Assistant Engineers, Civil and Session and Subordinate Judges; the Chief Engineer, Civil Architect and Garrison Engineer, the Sudr and Foujdaree Udalut and the Board of Revenue.

Chevron. let with gold lace edging, those of the Jemadars having two stripes ⩓, and those of the Duffadars one ∧ as a distinction.

Rule 4.—The length of each Belt shall be 6¾ feet, and the breadth 4 inches, the edging of the Deloyets' Belts being ¼ of an inch broad.

Rule 5.—Cloth Belts shall not be renewed oftener than once in two years.

Rule 6.—Talook peons shall be supplied with leather or cheeta skin Belts.

Rule 7.—All peons shall be numbered.

Rule 8.—Peons of the lower class on the Western coast shall be supplied with belts of broad cotton web.

Rule 9.—Applications for belts shall be submitted in the following form, and a return will be furnished biennially by all Collectors, the Chief Engineer, and the Sudr and Foujdaree Udalut, of the number of belts supplied to peons of their several Departments.

Statement shewing the number and description of peons requiring belts in the District of

District or Department.	Descriptions of peons.	No.	Time of last issue.	No. of belts required.	Remarks.

Rule 10.—The Board of Revenue shall submit to Government a biennial statement shewing the number of cloth and leather belts supplied to each Department, and the total number compared with that of the preceding two years.

Rule 11.—No change shall be made in the description of belt to be supplied to the various grades of peons without the previous sanction of the controlling authorities.

2. The estimated cost of making the description of belts proposed in Rules 3 and 4 is for a Jemadar or Duffadar Rupees 17-15-3, and for a Deloyet Rupees 1-8-0; a revised statement is added shewing the No. and description of Deloyets, &c., now proposed to be supplied with belts and the total charges to be incurred.

3. The Board also submit for approval 4 designs for silver badges for Duffadars and Deloyets of the Revenue, Judicial, Magisterial and Public Works Departments which they recommend may be adopted as soon as it becomes necessary to replace the old ones.

4. The cost of making the badges is estimated at Rupees 10 for a Duffadar and Rupees7 for a Deloyet, but the value of the old silver plates will be a considerable set off against this. The talook Peons will has hitherto be supplied with brass badges. The inscription on the designs should be in English and the vernacular language of the District.

5. Adverting to para. 2 of the Extract Minutes Consultation, dated 8th March 1856, No. 275, the Board request to be informed whether in authorizing them to pass Indents for cloth for Peons' Belts, the Government intended that they should also pass Indents for cloth for Tables, &c., for Public Offices. This information is desired to enable the Board to dispose of the Indents which have been received for cloth for the latter purposes.

6. The Board would also request that, as urgent requisitions have been made by many Officers in the Provinces, for an early issue of new Belts, sanction may be granted for meeting all the indents now pending at as early a date as practicable.

No.

No. 15. ORDER THEREON, No. 1055; dated 15th October 1857.

Para. 1. With their letter above recorded, the Board of Revenue submit rules for the issue of cloth belts to the peons of the Revenue, Judicial, and Public Works Departments of this Presidency, revised with reference to the instructions contained in Extract Minutes Consultation dated 10th June 1857, No. 574.

2. The Right Honorable the Governor in Council approves these rules, remarking only as regards Rule 5 that new belts are to be given once in two years only when renewal may be necessary. The Duffadars and Deloyets attached to the Principal Sudder Ameens should be included in the 1st Rule.

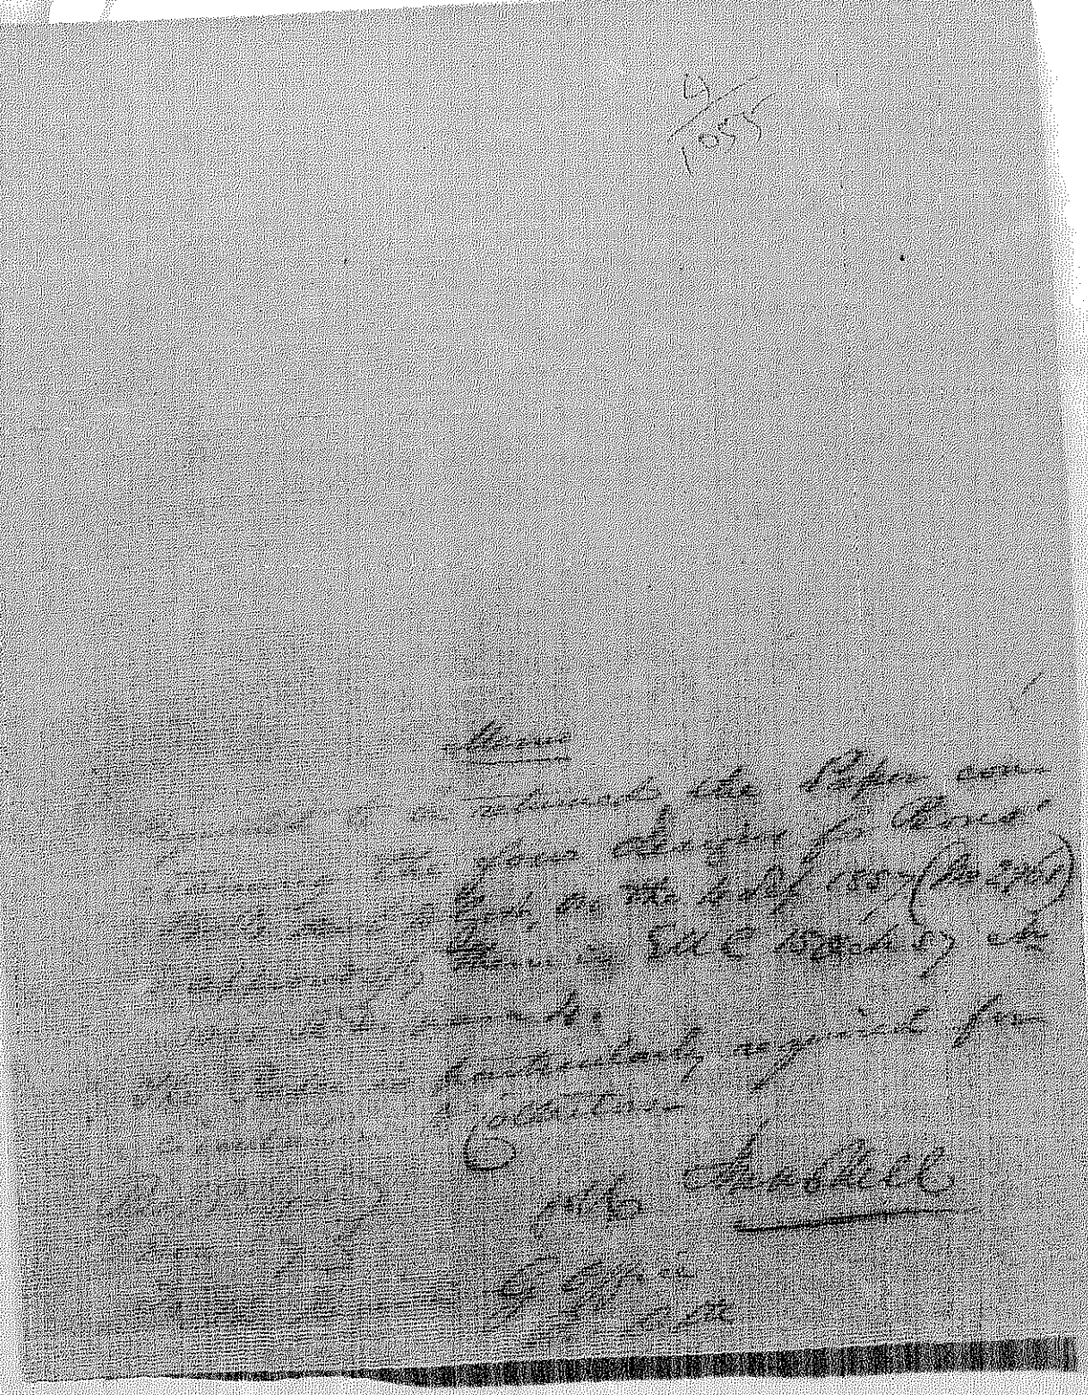

3. The hire allowed in the Board's estimate for making a belt, viz. 8 pice, appears to be very small.

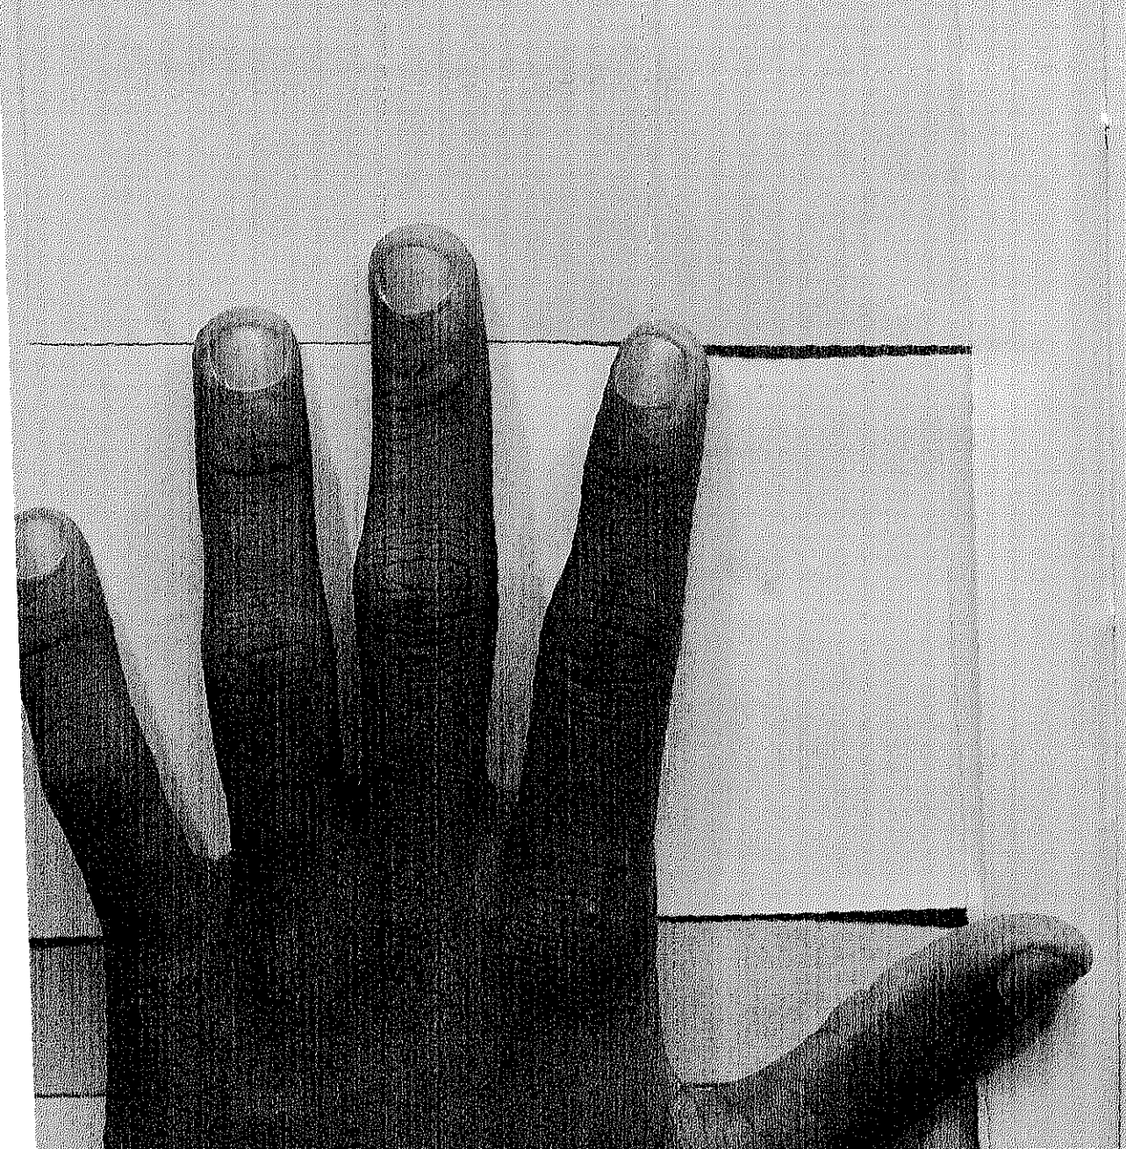

4. The four designs for silver badges for the several Departments, now submitted by the Board are also approved. They will be made up only as they may be actually wanted.

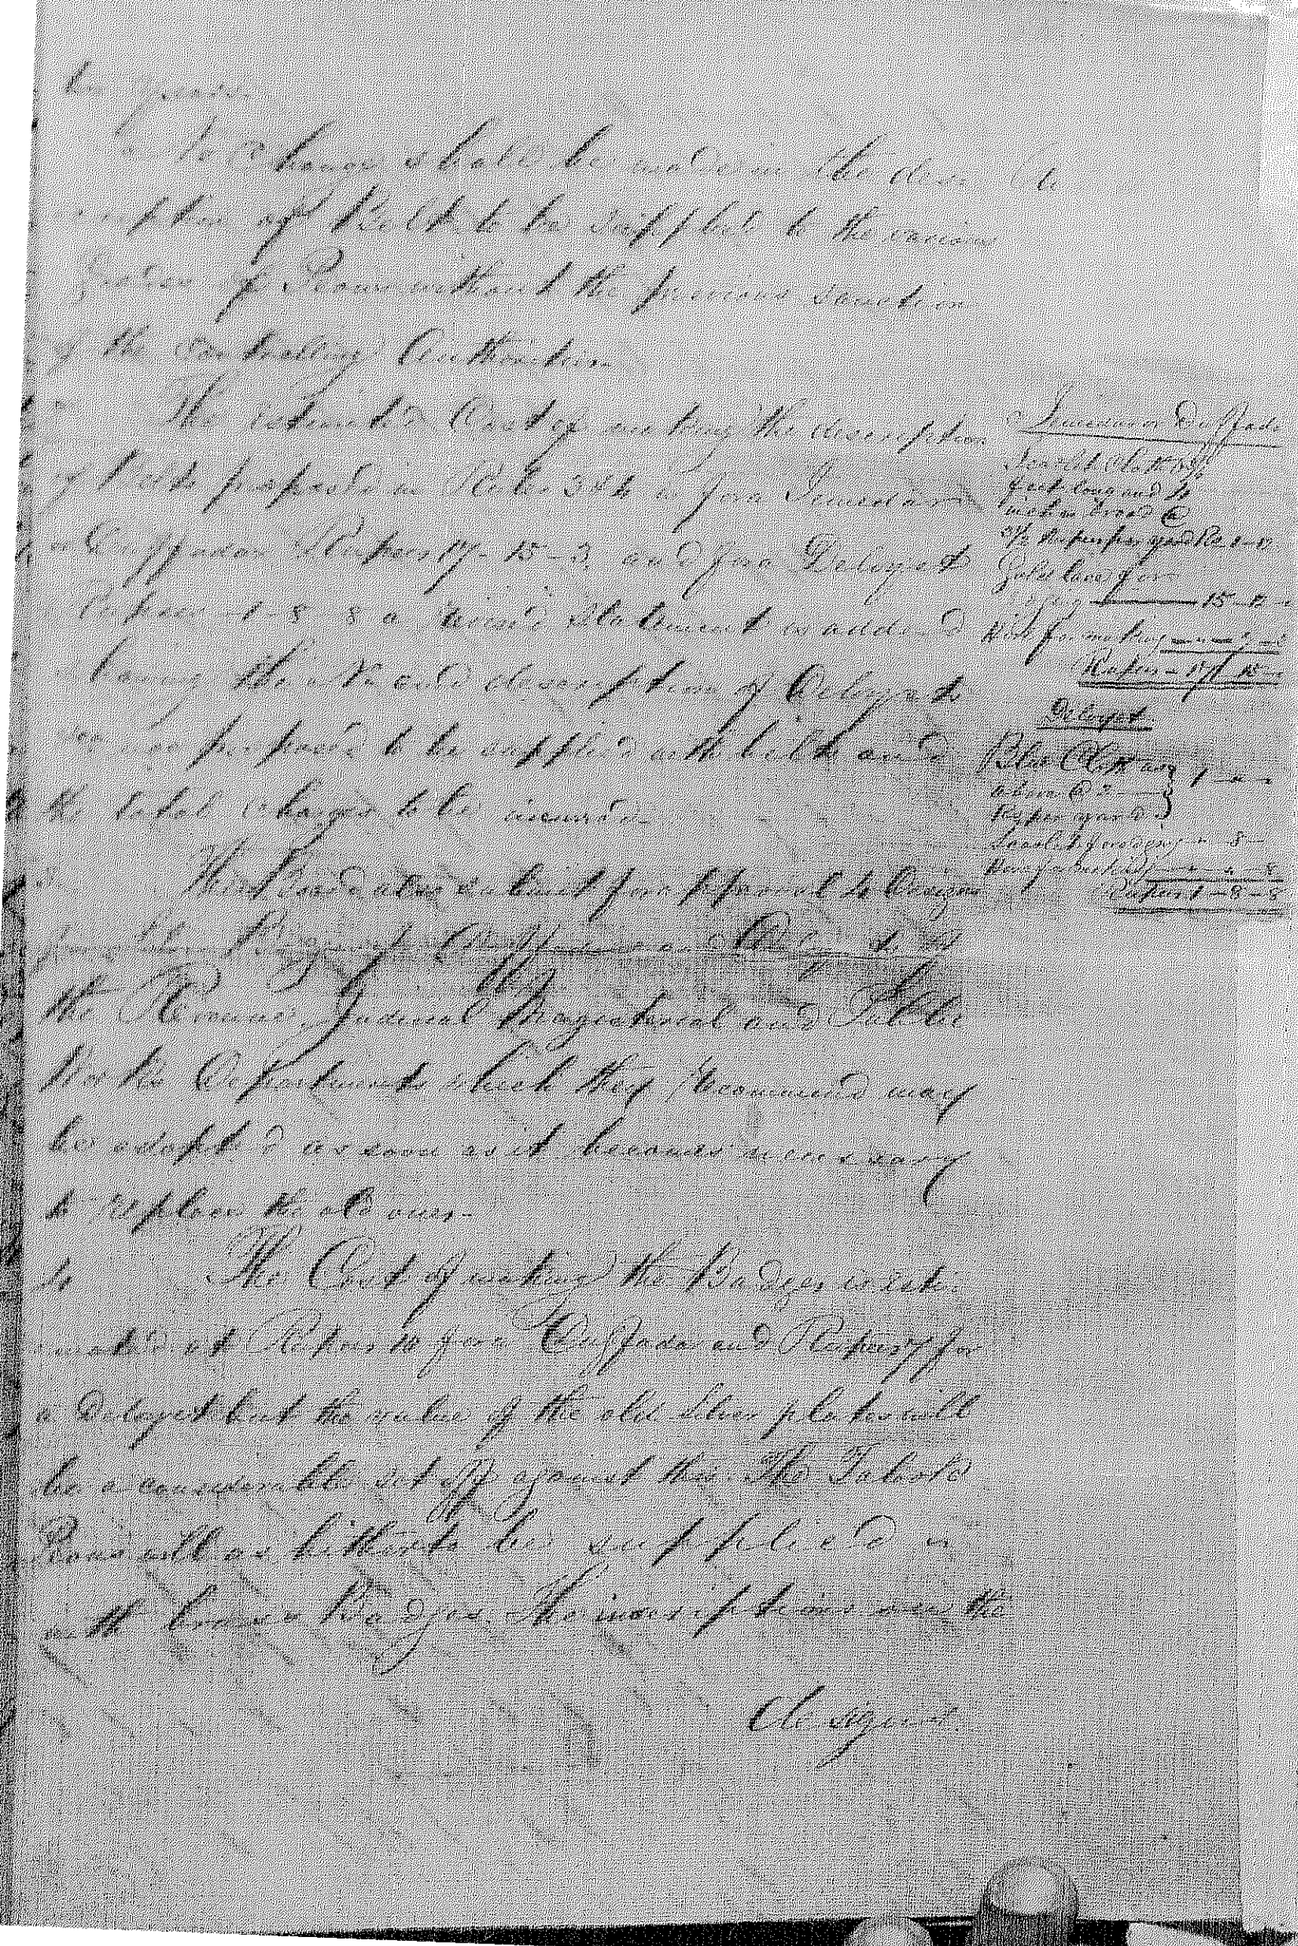

5. In para. 5 of their letter the Board request to be apprized whether, on the strength of the Government order dated 8th March 1856, they can pass indents for table covers. The Board will see on reference to Extract Minutes Consultation Public Department dated 16th September 1855, No. 1238, communicated to them with Extract Minutes Consultation Revenue Department dated 24th Idem, No. 1076, that the duty first delegated to the Military Board and afterwards transferred to the Board of Revenue, under the order of March 1856 above quoted, is to pass applications for cloth for peons' belts and "other office uses." The indents alluded to by the Board should therefore be passed by them.

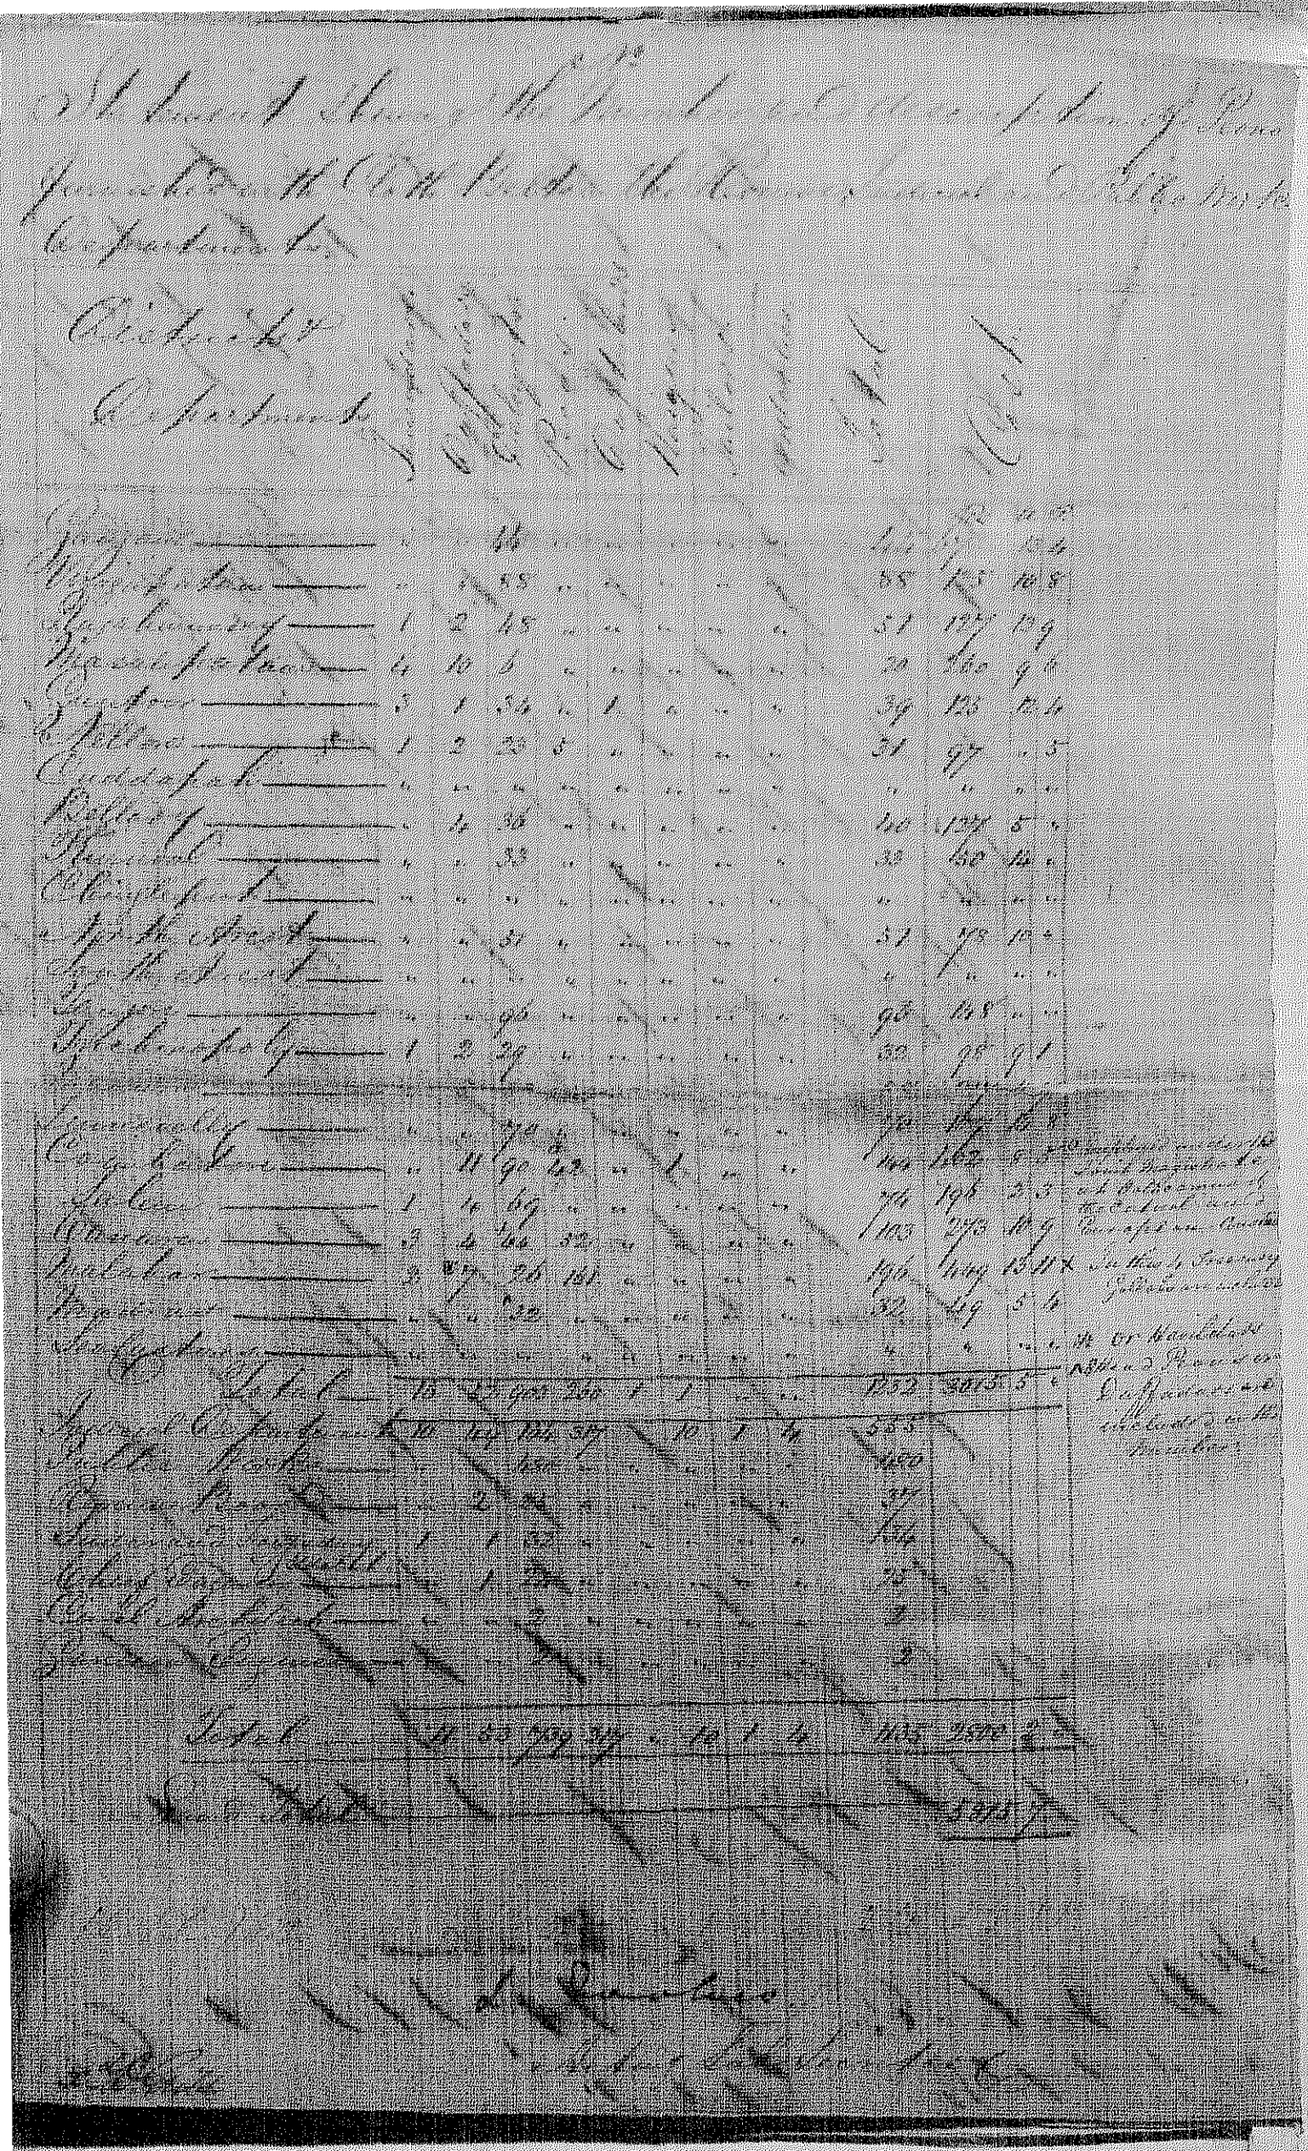

6. The rules now approved do not provide for belts for the peons of the several Presidency offices. The Board will be good enough to give the subject their early consideration.

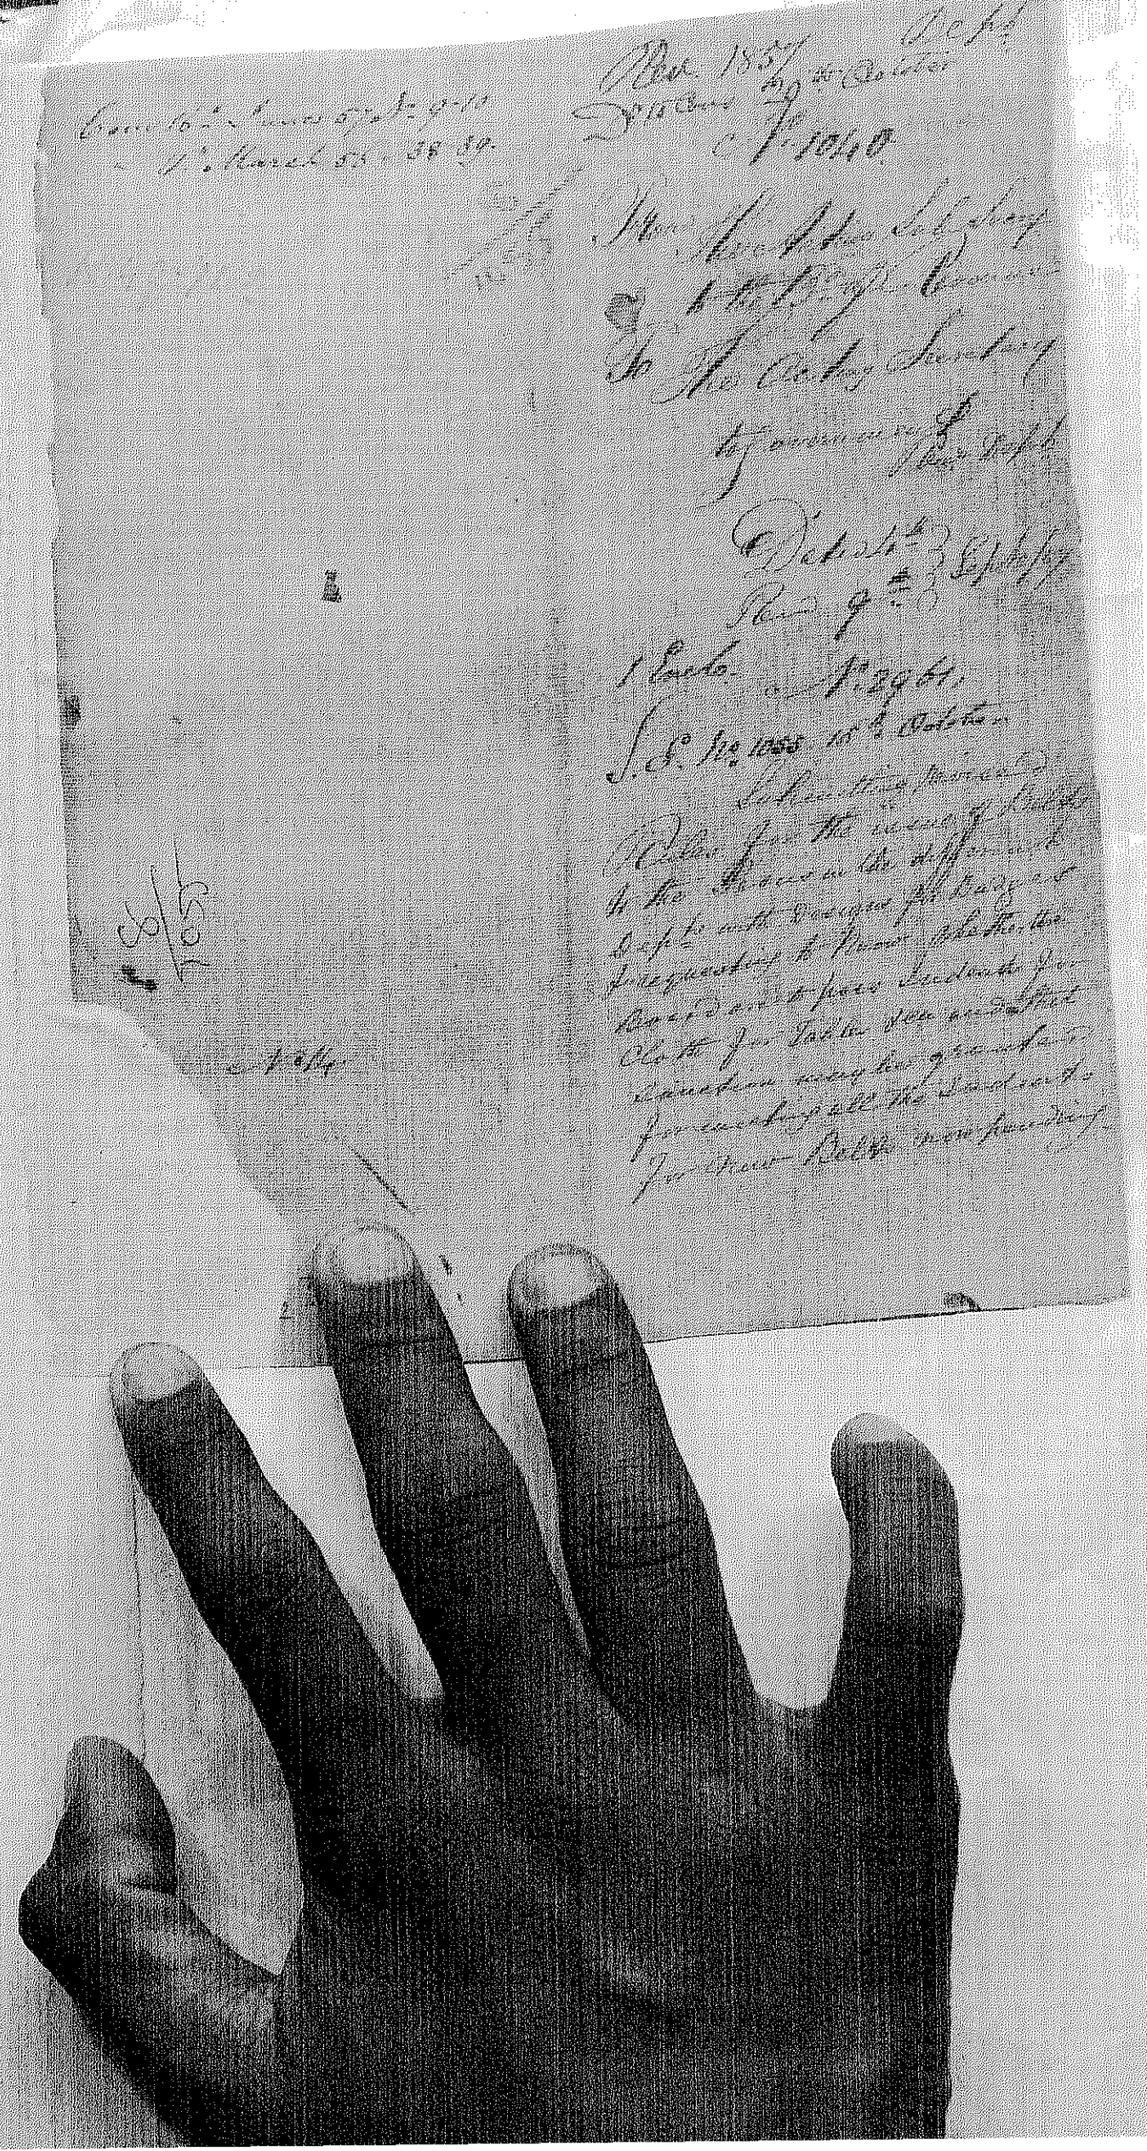

(Signed) H. FORBES,
Acting Secretary to Government.
