Minutes of Consultative

Mtg. held on 1987

Week No. 21 - 22

Date: [illegible]

Fort Saint George, Revenue Consultation of 29th October 1857.

No. 21. Read the following Extract from the Proceedings of the Board of Revenue; dated 29th September 1857, No. 3267.

Read again letter from the Acting Collector of Madura; dated 21st January 1857,* requesting sanction for certain Saderwared charges omitted from his accounts.

* *In Cons. 31 March* 1857.

Read also letter from the same officer, dated 27th June 1857,† furnishing the explanation required respecting the above charges.

† *In Cons. 29th Sept.* 1857.

(Here enter No. 131.)

Resolved that the foregoing letters and their enclosures be submitted for the orders of the Right Honorable the Governor in Council.

2. Under the explanation afforded, the Board of Revenue support the Acting Collector's recommendation that sanction be granted for the Saderwared charges incurred in Fuslies 1262-63-64 and 65 in certain talooks of the Madura District in excess of the standard estimate and of the disbursements subsequently sanctioned by Government for these years; the charges amounting in the aggregate to Rupees 253-10-3 as particularized in the statement which accompanies the record of the letters above recorded. These small excesses above the standard estimate should have been included in the statement of actual disbursements after the close of each year, but this it appears the Tahsildar omitted to do, the fact being discovered only by the complaint of the paper makers. The sum recommended for sanction includes Rupees 100 paid for paper furnished to the Curnums for the preparation of the Sub-division settlement accounts for Fusly 1265, of which it appears the Sub-Collector omitted to furnish an account to the Hoosoor in time to be forwarded to the Civil Auditor for pre-audit.

Acting Sub-Secretary.
