Comptes de Mr Gaillard 1757

Fort Saint George, Revenue Consultation of 29th October 1857.

No. 25. Read the following Extract from the Proceedings of the Board of Revenue; dated 15th October 1857, No. 3461.

Read letter from the Acting Collector of Malabar; dated 22d September 1857, *forwarding translate of a plaint and draft of an answer in Suit No. 634 of 1855 on the file of the Betutnaad Moonsiff's Court, and soliciting permission for defending the Suit at the public expense.

* *In Cons. 15th September* 1857.

(Here enter No. 145.)

Resolved that the foregoing letter and the papers which accompanied it be submitted for the orders of the Right Honorable the Governor in Council.

2. The proprietary right to a piece of land is involved in this Suit. The Plaintiff maintains that he purchased it from a party since deceased, whilst the Collector opposes the claim on the ground that that party had no right to dispose of it, as it belonged to the Betutnaad Rajah, and escheated with his estate to Government.

3. The Board recommend that the Acting Collector may be authorized to file the answer which he has prepared, and conduct the defence at the expense of Government.

No. 26. ORDER THEREON, No. 1091; dated 24th October 1857.

The Right Honorable the Governor in Council grants authority for the defence in the first instance at the public expense of suit No. 634 of 1855, instituted by Poodiagatha Kuddy Oomah in the Subordinate Court at Calicut, against the Acting Collector of Malabar; but will determine when a copy of the decree shall be furnished whether the costs if any be adjudged against the Acting Collector, shall be borne by that officer or by the Government.

2. The time for filing the answer in the above suit expired on the 15th Instant, and the Government see no reason why there should have been such a delay in the submission of the papers to them. They were unnecessarily allowed to remain in the Collector's office for nearly 37 days,† and in the Board's office for 15 days,‡ making a total of 52 days out of the 60 days allowed by the Court, under the Circular instructions of the Sudr Udalut dated 15th February 1856. The remaining eight days were lost in the transmission of the letter to the President. Such unnecessary delays have of late been very frequent to an extent which will seriously impede public business. The Board will be good enough to call upon Mr. Robinson to furnish full explanation on the subject, and submit it as early as possible together with explanation of the cause of the delay in their own office.

† *From 15th August to 22d September.*

‡ *From 29th September to 15th October.*

Acting Secretary to Government.
