No. 12. *From J. D. SIM, Esq., Acting Secretary to the Board of Revenue; to the Secretary to Government Revenue Department, dated Fort Saint George 9th December 1856, No. 4143.*

SIR,

From Collector 22d August in Con. 5th September 1856.
Boards Proceedings 5th September 1856.
From Collector 16th September in Con. 9th December 1356.

I am directed by the Board of Revenue to submit for the consideration and orders of the Right Honorable the Governor in Council, the accompanying correspondence with the Collector of Chingleput, respecting the Abkarry rent of his district for Fusly 1265.

2. The Abkarry contract for the Fusly adverted to was leased to Mr. Adamson for the sum of Rupees 77,197-11-6.* A considerable arrear having occurred, the farm was attached, with the sanction of the Board, on the 31st January 1856. The demand up to that date amounted to Rupees 44,051-14-2. Of this sum, Mr. Adamson paid Rupees 27,762-13-8 in cash, and the value of the securities deposited by him amounted to Rupees 13,222-5-2, the aggregate of these sums being Rupees 40,985-2-10. Deducting these items from the demand, the net balance against him up to the 31st January on account of his engagement for the Abkarry Rent of Fusly 1265 was Rs. 3,066-11-4.

*NOTE.—*The original amount was Rupees 79,550, but the difference appears to have arisen from the Fusly terminating on the 30th June instead of 11th July.*

3. For the remaining 5 months of the Fusly, the Sub-Renters (except in the case of six small Stills which were managed under Amany) made their payments direct to the Collector, instead of to Mr. Adamson, on a promise of some reduction being made in the original terms agreed on between them and the Renter, and the accounts of this period stand as follows.

		Government Kist.			*Realized.*			*Balance.*		
		Rs.	A.	P.	Rs.	A.	P.	Rs.	A.	P.
No. 2.	Collections from sub-renters.....	31,482	8	0	30,216	5	10	1,266	2	2
No. 3.	Do. from 6 stills given up by their owners.....	1,663	5	4	1,365	0	11	298	4	5
		33,145	13	4	31,581	6	9	1,564	6	7

4. In the above account the demand against the Sub-Renters is limited to the sum payable to Government by Mr. Adamson. The amount which they engaged to pay him was Rupees 3,769-9-4 in excess of this sum, but no formal or even written engagements had been taken from

them by Mr. Adamson. It was doubtful, therefore, whether payment in full could be enforced. The season moreover was an unfavorable one.

5. The Collector proposed to hold Mr. Adamson liable for the balance of Rupees 3,066-11-4 due by him, on the ground of his having recovered a much larger* amount than he paid to Government, and recommended that the Sub-Renters should be relieved of the sum (Rupees 3769-9-4) which would be payable by them, if their engagements with the Renter were fully enforced.

* *Rupees* 7618 *out of which however, expences of management, of providing security &c. &c. had to be defrayed.*

6. To this course the Board saw several objections. They doubted whether the Sub-Renters could be secured against liability to the Renter for the full amount of their engagements to him, or whether Mr. Adamson would forego his claims against them, if he were held to his own obligations to Government. The Board also noticed that Mr. Adamson had claims to consideration from the adversity of the season, and from his having renewed the farm for a year with the object of winding up the former unsuccessful undertaking of Mr. Kenrick of his Firm. Under these circumstances, and having in view the expectations held out to the Sub-Renters, the Board informed the Collector that they would recommend for remission, the balance of Rupees 3,066-11-4 due by Mr. Adamson, if he would consent to waive his demand on his Sub-Renters.

Pro. to Chingt. 5th Sept. 1856.

7. The Collector now reports that Mr. Adamson has agreed to these terms, and the Board trust that under the explanations offered, the Government will confirm the arrangements which they have ventured to propose in anticipation of their approval.

Dated 16*th Sep. in Con.* 9*th Dec.* 1856.

8. The amount due to Government by the Sub-Renters, Rupees 1,266-2-2, will be recovered from them, and the balance against the defaulting under farmers, Rupees 298-4-5, will also be realized by the sale of certain materials belonging to them.

No. 13. ORDER THEREON, *No.* 31 ; *dated* 7*th January* 1857.

With their later Proceedings recorded above, the Board of Revenue submit correspondence reporting the result of the Abkarry contract of Chingleput for Fusly 1265, held during that period by Mr. Adamson of the firm of Messrs. Kenrick and Co. It is shewn that in consequence of the renter falling into arrears to the amount of 16,?89 Rs. the farm was sequestered with the sanction of the Board on the 31st January last ; but that the balance against the renter was reduced to Rs. 3,066-11-4, after carrying to credit the value of the securities deposited by him. The farm having been continued by the Collector for the rest of the fusly to the sub-renters, with the exception of six stills taken under Amauny, a balance of Rs. 1,266-2-2 now appears against the sub-renters at the rates payable to the Government by the original renter, but of Rs. 5,035-11-6 at the rates payable by the sub-renters to the renter, being an excess of Rs. 3,769-9-4. Under Amauny management, a loss of Rs. 298-4-5 has accrued ; which however it is said will be recovered by the sale of certain materials belonging to the proprietors of the stills. The Collector was for pressing Mr. Adamson for the payment of the balance of Rupees 3,066-11-4 standing against him, on the plea that he had received more from his sub-renters than he had paid into the public treasury. But the Board making allowance for the renter's time and the expenses of management, and in consideration of the object with which Mr. Adamson took the contract, viz., to wind up the unsuccessful undertaking of Mr. Kenrick the former renter, and considering also the adversity of the season, propose to remit the balance of Rs. 3,066-11-4 against Mr. Adamson, while he on his part has engaged to forego his claims on the sub-renters for the sum of Rupees 3,769-9-4, which they would have had to pay him had he continued in possession. The balance of Rs. 1,266-2-2 against the sub-renters themselves is to be realized.

Under the circumstances stated by the Board, the Government think that they have recommended the best course that can be followed, viz., to allow the renter a remission of Rs. 3,066-11-4

and to realize the balance due by the sub-renters, Rs. 1,266-2-2, which they are willing to pay. It is obvious that if the arrear is pressed against the renter, he must in self defence proceed against the sub-renters ; and it is observed that Mr. Shubrick held* out a promise to them of a reduction in their original terms, which would be defeated by enforcing payment from Mr. Adamson. The Government accordingly sanction and confirm the arrangements which the Board have proposed for their approval ; especially as it is admitted that the farm was over-rated and the season unfavorable.

* *Para.* 3, *Colr's. letter* 22*d Augt.* 1856.

With reference to the Board's proceedings of the 2d Ultimo, and Extract Minutes Consultation of the 5th idem, No. 1285, the Government would wish to have before them any proposal Messrs. Kenrick and Co. may submit to the Collector for their future payments in liquidation of the arrears against Mr. Kenrick.

at the time of the attachment, for which the Collector proposes to hold Mr. Adamson answerable, on the ground that he collected a larger sum from the Sub renters during his Management of the Farm than that which he paid to Government.

2 - No formal written engagements had passed between Mr. Adamson and the parties to whom he sub rented the Farm, and as the season was very unfavorable, the Collector found it necessary, the attachment that the Sub renters wished to throw up their undertakings. On a promise however of some reduction being allowed in the original terms agreed on between them and the renter, they consented to continue their farms with the exception of the holders of 5 Mills in the Mayer and Carungooly Talooks, which the Collector consequently took under his own Management.

The

3. The result of the Abkarry Farm for the entire Fasly, as respects the Government dues, is as follows.

	Government Estimate	Realized Balance.
	Rs a p	Rs a p
1 Seven Months under Mr Adamson	41,051 14 2	1,09,852 10 3,066 14 4
2 Five Months after attachment, when Collector collected from the Sub renters	31,182 8 -	30,216 5 10 1,266 2 2
3 Six Mills given up by their holders	4,663 5 4	1,365 - 11 298 4 8
	77,197 11 6	72,566 9 7 4,631 1 11

The only arrear about which there is difficulty is the sum due by Mr Adamson under the first of the above 3 heads. The Sub renters are reported to be willing to pay the second item if further demand against them is waived, and the 3d sum will be realized by the sale of some property.

4. The above result is creditable to

to the Collectors Management under the difficulties which were experienced when it was found necessary to attach the Farm - and the Board now proceed to notice Mr. Shubrick's proposals for finally settling the Accounts. His plan is to press for the payment of the Rupees 3,066. 11. 4 due by Mr. Adamson when the Farm was attached, but to remit the further sum of Rupees 3,769. 9. 6 which would be payable by the Subrenters if their engagements with the renter were fully enforced.

5. The Board see the following objections against this measure - as the Farm was held in attachment on Mr. Adamson's account, it seems doubtful whether the Subrenters could be secured against being called on to pay the balance of Rupees 3769. 9. 6 still due by them according to their original Contracts, unless an arrangement was made with the renter for

for this purpose, and it could not be expected that Mr. Adamson would forgo this demand if he was pressed for the arrear standing in the Accounts against himself. With a view therefore to fulfilling the expectations held out to the Subrenters on the Farm being attached, and to preventing disputes between them and the renter in adjusting their private Accounts, which, according to the Collector's report of 25th March, are in an intricate state, it is advisable to come, if possible, to some general and amicable settlement.

6. This desirable end cannot be attained, in the Board's opinion, if the demand outstanding against Mr. Adamson is pressed - and the question therefore arises, whether sufficient grounds exist for its relinquishment. Mr. Shubrick considers that the demand ought to be enforced, because Mr. Adamson's Collections when managing the Farm exceeded his payments to Government by

by Rupees 7648. But on the other hand, the value of Mr. Adamson's own time and the expense he incurred in maintaining an establishment and in providing the required Security have to be considered, and he has claims to some indulgence from the season proving adverse, and from his having renewed the Farm for a year with a view to wind up a former unsuccessful undertaking. In Para 3 of his letter of 25th March last, Mr. Shubrick pointed out that in Fusly 1263 when the Farm was held on the same terms, Rupees 12,000 were remitted on account of the unfavorableness of the season, and then observed that there was even greater cause for such an indulgence in the present year. This claim has been strongly urged by Mr. Adamson himself.

In Cons. 5th April 856.

See Mr. Adamson's letter enclosed in Col. Sr. letter of 18th April last Cons. 28th May 858.

Viewing

7. Viewing all these circumstances, the largeness of the amount for which the Farm was taken, and the balance which Mr. Adamson and his connections Messrs. Kennick and Co. have still to make good for Fusly 1267, the Board will not be disposed to recommend the present balance of Rupees 3,066. 11. 4 for remission if Mr. Adamson consents to waive further demand against the Subrenters on their paying to Government the outstanding arrear of Rupees 1266. 2. 2, which, as shown in Para 3 of these Proceedings, they are willing to discharge. In this manner disputes and difficulties are likely to be avoided, and Mr. Shubrick is therefore instructed to communicate

with

with Mr Adamson and inform the Board if he is willing to enter into such an arrangement.

however it is said will be recovered
by the sale of certain materials
belonging to the proprietors of the

he had paid into the public trea.
