It was when transferred to this district in 1818 held in the names of the last incumbent and his father in equal Shares at Rs 3-12 to each but the latters share reverted to the last incumbent - vide Sanction of Government dated 23d July 1824. From the descriptive roll received from the Collector of Nellore with his letter dated the 9th January 1818 the allowance appears to be a hereditary Subsistence grant. The Collector recommends the continuance to the late incumbents Son Meer Mahomed Sloff Sahib of a reduced allowance of 5 Rupees per Mensem as there are now but two people dependant on the yeomiah, with arrears from the date of the demise of the last incumbent - an offer to compound for a present Sum has been declined. The Collector further begs to Explain that the absence of the widow and the boy at Cuddapah until very lately has been the cause of the delay in reporting upon the Papers.<br>(Signed) A. No. 3410 ~~Mis.~~ / ~~Routine~~

Read – Tabular Report on lapsed zeemiah in the District of Rajahmundry from the Collector of the District dated 4th November 1856

~~Read~~ Resolution

This appears to be a Mootaliqan grant and as such, it is not hereditary: on what authority it is stated to be hereditary in the descriptive roll referred to by the Collector is not apparent. The Grant however is of old date, having been made in 1787: and as it has been in the uninterrupted enjoyment of the original grantee and his family for more than 60 years, and the family left by his Grand Son are dependant upon it for their subsistence, the Board support the Collector's recommendation that a reduced allowance of Rupees 5 per mensem be continued as an act of grace for life to Meer Mahomed Shaffee Sahib from the 12th July 1853 the date of his father's demise.
