Order No 11325/6 Nov 1857

No. 1132.

No. 30. Extract from the Minutes of Consultation under date the 6th November 1857.

Tabular Report of lapsed Enams in the Bellary District for the 2d Quarter of 1856, dated 31st December 1856, and submitted by the Board 19th October 1857.

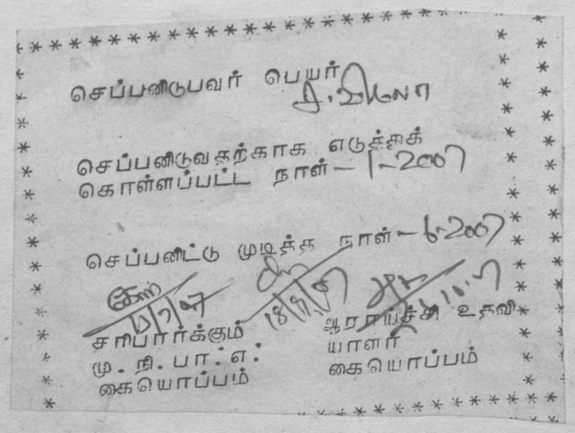

1 *Anantapoor talook.*
Singamulla do.
Enams assessed at Rupees 36-5-10.
2 *Kumply talook.*
Ramapooram do.
Enams assessed at Rupees 140-0-10

Para. 1. The deceased holder of these Enams, obtained them from his daughter, who died without issue. It is a question whether they were not, properly speaking, resumable on Rindhamah's death, but, without entering into this question, the Board shew that serious doubts may be entertained as to the validity of the sunnuds under which the Enams have been held which are not signed by the officers from whom they are supposed to have emanated; nor is there any other means of establishing their authenticity, the seals being unintelligible. Considering therefore that the Collector has, by the authority vested in him, continued to the grandson of the deceased, who now claims these lands, other Enams assessed at Rupees 111, the Government concur with the Board of Revenue in the advisability of resuming the lands under notice, and direct that instructions be issued accordingly.

3 *Goolium talook.*
Chippagiry.
Assessment 85-12-7.

2. This Enam is claimed by the nephew of the deceased, on the ground that it was transferred to him in 1849, in payment of a debt. The Government agree with the Board in thinking that, even admitting the authenticity of the transaction, the lender must have been amply repaid for his outlay, so that he would have no claim to consideration on that score; but in addition to this, the transfer was in direct contravention of the notification of 1848, and the Government direct the resumption of the Enams.

Acting Secretary to Government.

Under date the 5th Nov 1855

Read Tabular Report of Lapsed Inams in the Bellary District for the 2nd Quarter of 1856.

P.J. The deceased Holder of these Inams claimed them from his daughter, who died without issue. Sir a question arises whether they were not properly speaking resumable on Rudramma's death, but without entering into this question, the Board deem that serious doubts may be entertained as to the validity of the Summuds under which the Inams have been held, which are not signed by the Officer from whom

Sirgamutha &c

2 Rumpoly Tk
Ramapooram &c
Inams assessed at Rs 140.0.10

they are supposed to have
emanated; nor is there
any other means of establish-
ing their authenticity, the
seals being unintelligible.
Considering therefore that
the Collector has by the
authority vested in him,
entrusted to the Landsm
the deceased, who now
claims these Lands,
there appears at Rs 111,
the Govt concur with
the Board of Revenue
in the advisability of
returning the Lands under
notice, & direct that
instructions be issued
accordingly:-

2. The Sum is claimed
by the Nephew of the
deceased, on the ground
that it was transferred

3. Forfeiture of
Chippagiry
Appeal 85. 12.7

Hims in 1849 in payment of
a debt. The Govt agree
with the Board in thinking
that, in admitting the authen-
ticity of the transaction,
the Lender must have
been amply repaid for
his outlay, so that he would
have no claim to retai-
neation on that score;
but in addition to this,
the transfer was in direct
contravention of the notifi-
cation of 1848; and the
Govt direct the resumption
of the Sums.
