 Fort Saint George, Revenue Consultation of 10th November 1857.

No. 40. Read the following Extract from the Proceedings of the Board of Revenue; dated 8th October 1857, No. 3383.

* In Cons. 8th October 1857.

Read letter from H. Newill, Esq., dated 3d August 1857.*

Resolved that the above letter be submitted for the favorable consideration of Government.

In their despatch dated 12th April 1854, No. 4, the Honorable Court were pleased on the recommendation of Government and the Commissioner for the Northern Circars to permit Mr. Newill in consideration of his long and able services as Head Assistant in the Guntoor District to draw a special allowance of Rupees 1,500 per annum for the period above 6 years of his employment in that Zillah.

2. Mr. Newill has since been re-employed in Guntoor from 1855 to 1857, as Acting Collector, and the Board consider that he is justly entitled to the full extra allowance of 2,000 Rupees per annum, which is passed to Collectors of that District after a residence in it of 6 years duration.

3. Mr. Newill's administration of the District was highly creditable to his zeal and ability, and latterly from the paucity of European Assistants the duties devolving on him were unusually onerous.

4. The Board therefore strongly advocate his present claim.

No. 41. ORDER THEREON, No. 1136; dated 6th November 1857.

Para. 1. The Honorable Court of Directors on the recommendation of this Government, authorized the grant of an extra annual allowance of 1,500 Rupees to Mr. Newill, Head Assistant Collector of Guntoor, for the time above six years which he had served in that district as an Assistant. The application now submitted by the Board of Revenue on his behalf is, that since he has subsequently administered the affairs of the district as Acting Collector, from 1855 to 1857, his service as an Assistant may be allowed to count for service as Collector, and so entitle him to draw the higher allowance of 2,000 Rupees a year, granted to those who serve more than six years as Collector of Guntoor.

2. The Government observe that the Honorable Court's Despatches of the 22d August 1849, No. 10, para. 11, and 12th April 1854 No. 4, para. 2, sanctioning the increased allowance, distinctly contemplate continuous service in the district, and as Mr. Newill was absent on furlough between March 1851 and February 1854 and was Assistant to the Commissioner in the Northern Circars from February 1854 to December 1855 they regret that they cannot accede to the Board's recommendation.

 Acting Secretary to Government.
