Fort Saint George, Revenue Consultation of 10th November 1857.

No. 52. Read the following Extract from the Proceedings of the Board of Revenue; dated 17th October 1857, No. 3493.

Read letter from the Collector of Salem dated 24th Septem-
**In Cons. 17th October 1857.* ber 1857,* stating that no further reduction can be made in the Writers or Goomastahs' Departments, to meet the Press charges; and requesting that the arrangements already made, and in operation, may be allowed to stand for the next year or two, when he will endeavour to propose some other alteration.

(Here enter No. 123.)

Resolved that the foregoing letter be submitted for the orders of the Right Honorable the Governor in Council, with reference to Extract Minutes Consultation dated 26th February 1857, No. 207, Revenue Department.

2. Under the circumstances stated by the Collector, the Board recommend that he may be allowed for the present to continue the arrangement already carried into effect by him.

(A true Extract.)

(Signed) J. D. SIM, *Acting Secretary.*

No. 53. ORDER THEREON, No. 1143; dated 10th November 1857.

With the above Proceedings, the Board of Revenue submit a letter from the Collector of Salem, relative to certain objections made by Government, in Extract Minutes Consultation dated 26th February 1857, No. 207, in respect to his mode of providing for the Press Establishment of that District, and recommend that the arrangement already made by him on that account may be allowed to stand for the present.

2. The Government cannot so far negative all the views they have expressed in sanctioning these Presses, as to admit that printing is no saving of trouble in a great Public office, as they would do if they allowed Mr. Brett's present proposals to be carried out, and they must insist on any reduction that may be made for the purpose of paying the Press Establishment, being effected in those Departments which the Press saves from labor. The present proposal cannot be acceded to without setting aside all the principles on which Collectorate Presses were established.

3. If the Press in Salem does not save the Collector's Establishment any trouble, it has not effected its purpose, and as the same result has not followed in any other District, the Government are of opinion that the Collector's arrangements must be faulty.

(Signed) H. FORBES,
Acting Secretary to Government.
