Fort Saint George, Revenue Consultation of 17th November 1857.

No. 34. Read the following Extract from the Proceedings of the Board of Revenue; dated 22d October 1857, No. 3573.

Read letter from the Collector of Coimbatore, dated 23d September 1857.*

**In Consultation 22d October 1857.*

(Here enter No. 154.)

Resolved that the foregoing letter and its enclosures be submitted for the orders of the Right Honorable the Governor in Council.

2. From the Statement furnished by the Collector it appears that the actual charges incurred on account of Saderwared in the Revenue and Magisterial Departments in Fusly 1266, or from July 1856 to June 1857, amounted to Rupees 5,096-8, exceeding the standard Estimate by Rs. 429-15-0. The cause of this increase the Collector ascribes to the use of a greater quantity of paper than is provided for in the sanctioned Estimate, owing to the substitution of Coix for country paper, the former description being of smaller size, to the puttahs of ryots being prepared on paper instead of cadjan; and to the high price paid for lamp oil.

3. It will be observed from the correspondence entered in the margin that in framing the Saderwared estimate in 1850, it was found impracticable to furnish two separate Statements for the Revenue and Magisterial Departments. The sum of Rupees 4,821-1 sanctioned by Government on the 19th December 1850, No. 1213, Revenue Department, was therefore intended to provide for both Departments. The Collector however on receiving instructions from the Board to apportion the amount with reference to the actual expenditure under each head in Fusly 1260 allotted Rupees 823 for the Magisterial, and Rupees 3,998-1 for the Revenue Department. With the exception of a reduction of Rupees 154-8 in the latter Department owing to the abolition of the tobacco monopoly, these sums have ever since been assumed as the standard for regulating the expenditure for each Department. A separate allowance of Rupees 77 was sanctioned for the Joint Magistrate's office, and the Cutwall's Cutcherry at Ootacamund.

	Rs.	A.	P.
Revenue	330	11	5
Magisterial	99	3	7
	429	15	0

4. Under the explanation given above, the Board recommend that sanction be granted for the extra Saderwared expenditure, amounting to Rupees 429-15, incurred in the Revenue and Magisterial Departments in Fusly 1266, to enable the Civil Auditor to pass the bills on that account for the latter Department, for the months of April and June 1857.
