Решение Одесского

3. The amount classed as irrecoverable is outstanding against 7 Shrotriems, and under the explanation submitted by the Acting Collector, and recapitulated by the Board in paras. 6 to 10 of their proceedings, the Government grant authority for remitting it, viz. Rupees (233-3-9) two hundred and thirty three, annas three and pice nine.

4. The amount entered as doubtful, viz. Rupees 99-10-0, is stated to be due by the villagers of Pullapole. The Shrotriem has been under attachment for the last 20 years, and the ryots refuse to pay the amount on the ground that they are entitled to benefit by the reduced rates sanctioned for garden lands in the Government villages. The Board properly considered the claim inadmissible.

5. In para. 13, the Board represent that, of the balances outstanding against certain villages up to Fusly 1251, and the writing off of which was authorized in Extract Minutes Consultation of the 28th November 1856, in consideration of their being irrecoverable, or doubtful, a sum of Rupees 726-10-6 had been realized previous to the receipt of the orders of Government in the District, and that it was expected that a further sum of Rupees 11-3-6 would be recovered without difficulty. They also state that a sum of Rupees 90-7-7 has been collected from two Cundre ars, the arrears against which were previously considered irrecoverable. These recoveries alter the amount of Shrotriem balances which it was ordered on the 25th November 1856 should be written off, from Rupees 24,423-15-6 to Rupees 23,595-4-11. With the sum sanctioned by these proceedings, the total amount of arrears on Shrotriems remitted is Rupees 23,328-8-8.

Acting Secretary to Government.

Fort Saint George, Revenue Consultation of 24th November 1857.

No. 13. Read the following Extract from the Proceedings of the Board of Revenue; dated 5th October 1857, No. 3337.

Read letter from the Acting Collector of Nellore, dated 4th June 1857,* reporting on the Shotriem balances outstanding in his District.

**In Cons. 5th October 1857.*

(Here enter No. 81.)

Resolved that the foregoing communication be forwarded for the information and orders of the Right Honorable the Governor in Council.

Bd's. Pro. dated 29th August 1856. Ext. Mins. Cons. R. D., No. 1248, dated 25th November 1856.

2. In reviewing the Report of the Board on the Shotriem balances in the Nellore Districts for Fuslies 1263 and 1264, Government called for information as to whether the balances stated to be recoverable, amounting to Rupees 4,295-0-10, had been all collected.

3. In the letter now submitted the Acting Collector reports that of this amount Rupees 3,544-0-11 were due on Shotriems managed by their own proprietors, and the remainder, Rupees 750-15-11, on lands under attachment, and that Rupees 2,827-10-3 have been since collected leaving a balance outstanding as shewn in the margin of Rupees 1,467-6-7 against 27 villages distributed over 6 talooks of the principal and 2 talooks of the Subdivision.

	Collected.			Balance.		
On Shotriems held by owners.....	2,438	11	6	1,105	5	5
On "attached" Shotriems.....	389	14	9	362	1	2
	2,827	10	3	1,467	6	7

4. From the General Statement which accompanies the letter, it appears that of the balance outstanding Rupees 1,154-8-2 are recoverable, Rupees 99-10-3 doubtful, and Rupees 293-3-9 irrecoverable.

5. The last amount is due in the following proportions for the two Fuslies.

	Rs.	A.	P.
Fusly 1263, ...	123	7	10
Fusly 1264, ...	109	11	11

and consists of arrears appertaining to the undermentioned Shotriems.

	Talook.	Shotriem or Village.	Amount.		
			Rs.	A.	P.
	1. Survapully.....	Angopullypaud.....	44	6	9
	2. Nellore.....	Goondlapolliem.....	12	8	0
	3. do.	Pullepaud.....	9	13	0
	4. Sungum.....	Turveedepaud.....	105	12	4
	5. do.	Moodlapoody.....	6	5	9
Sub-Division	6. Ruddapoody....	Ruttoopolliem.....	20	0	0
Sub-Division	7. Davagoodoor...	Tongella Eskapullyvary....	34	5	11
			233	3	9

6. The balance in Survapully (No. 1) is due on land which, it is ascertained, has been taken up for public works as mentioned in the last report; the amount is therefore now classed as irrecoverable.

7. The sums in the Nellore talook (Nos. 2 and 3) were collected after the Shotriems were released, and have been carried to the account of repairs.

8. The arrears in Sungum talook (Nos. 4 and 5) are considered irrecoverable owing to the large extent of Garden land left waste, and the general poverty of the ryots.

9. In the Sub-division a sum of Rupees 54-5-11 is held to be irrecoverable and the villages on which it is due (Nos. 6 and 7) appear by the Sub-Collector's statement to be under attachment.

10. Under the explanation submitted by the Acting Collector the Board recommend that he may be authorized to remit the irrecoverable arrears, amounting to Rupees 233-3-9.

11. With reference to the item (Rs. 99-10-8) entered as doubtful, Mr. Taylor explains that it is due by the villagers of Pullapole in the Talamunchy talook; the Shotriem has been under attachment for the past 20 years, and the ryots refuse to pay the debt on the ground that they are entitled to benefit by the reduced rates sanctioned for Garden lands in Government villages. The claim however is inadmissible as the sanction applied only to Government ryots. The Board therefore see no grounds for recommending an abandonment of the Government demand especially, as the Shotriemdars do not appear to need the remission from straitened circumstances.

Extract Minutes Cons. No. 431, R. D., dated 19th April 1855.

12. As regards arrears due for Fuslies previous to 1263, the last report showed Rs. 863-0-6 to be recoverable; of this sum Rs. 856-8 have been since collected, and the remainder is expected to be realized.

13. In para. 3 of the order of Government, the Collector was authorized to remit Rupees 1,162-14-0 due by certain villages up to Fusly 1261, but it appears that Rs. 726-10-6 of this sum had been realized previous to the receipt of the instructions, and it was expected that a further sum of Rupees 11-8-6 would be obtained without any difficulty, so that a portion only of the authorized amount has been remitted.

14. A sum of Rupees 90-7-7 has also been received from two Cundregas, the arrears on which were accounted irrecoverable in the last Report.

15. The total amount originally authorized to be remitted was Rupees 24,423-15-6, but in consequence of the further collections and irrecoverable balances above noticed, the account will now stand as follows:

	Rs.	A.	P.	Rs.	A.	P.
Originally sanctioned...				24,423	15	6
Deduct subsequent collections	726	10	6			
Recoverable...	11	8	6			
				738	3	0
				23,685	12	6
Add sums now classed as irrecoverable...				233	3	9
Total modified amount Rs....				23,919	0	3

16. Of the 16 villages alluded to by Government in para. 6, the Acting Collector states that ten have been restored to their proprietors, one has become a Government village, and the remaining five are still under attachment, two being rented out and three under direct management.

(A true Extract.)

Signed) J. D. SIM, *Acting Secretary.*

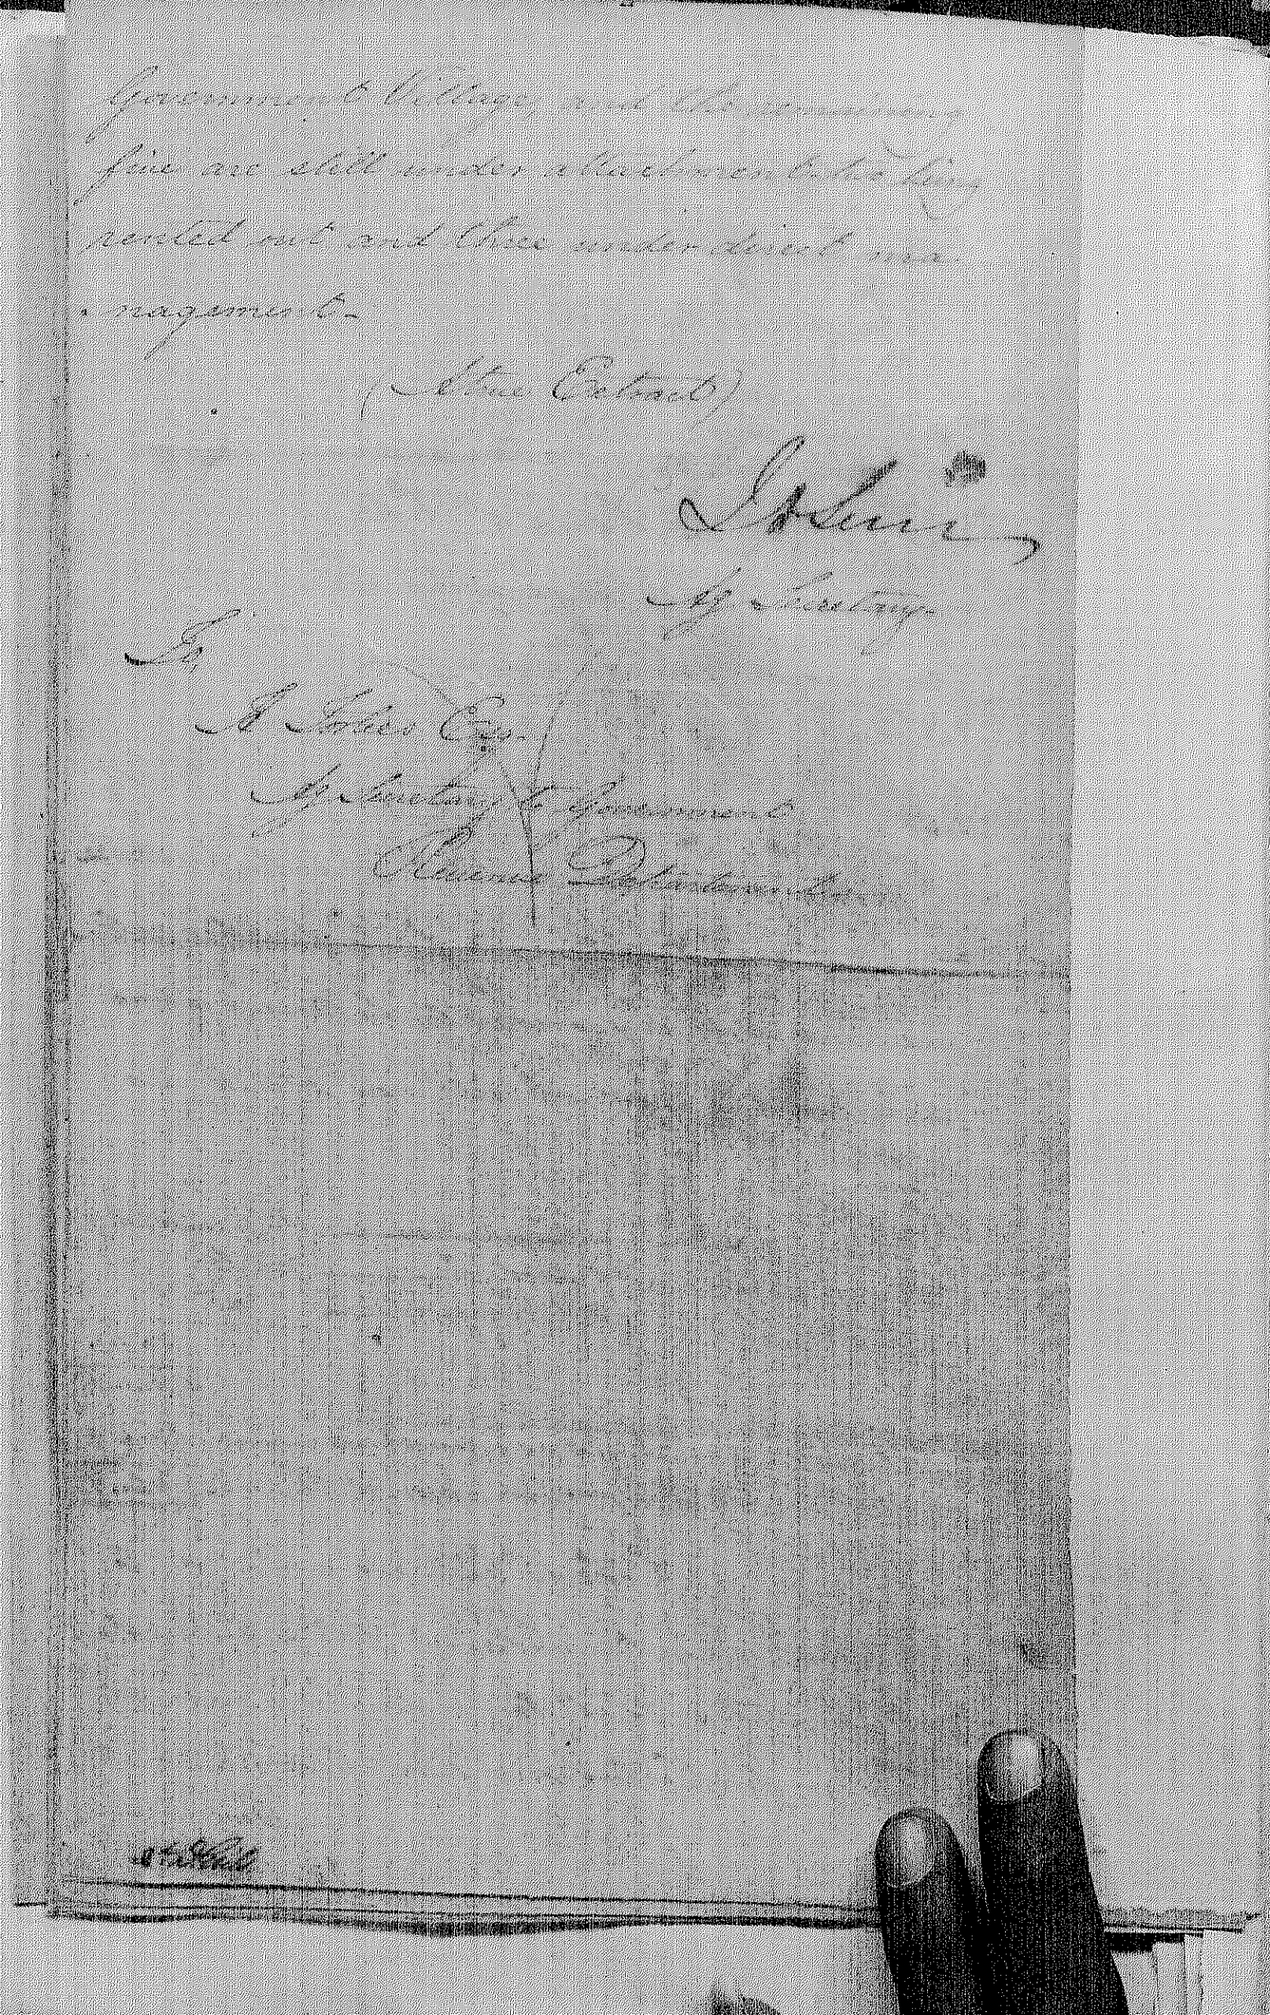

No. 14. ORDER THEREON, No. 1182, dated 19th November 1857.

Para. 1. In para. 2 of an Extract from the Minutes of Consultation dated 25th November 1856, No. 1243, the Government sanctioned the remission of certain Shotriem balances of the Nellore District for Fuslies 1263 and 1264, which were represented to be either doubtful or irrecoverable; and desired to be informed whether the sum of Rupees 4,295-0-10, reported by the District officers to be recoverable, had been collected. The letter of the Acting Collector of Nellore, received with the proceedings of the Board of Revenue recorded above, replies to this requisition.

2. It appears that, of the above amount, the sum of Rupees 2,827-10-3, has been recovered, and that the remainder, Rupees 1,467-6-7, is outstanding against 27 villages. This balance is classified as follows:

	Rs.	A.	P.
Recoverable, ...	1,134	8	2
Doubtful, ...	99	10	8
Irrecoverable, ...	233	3	9
	1,467	6	7
