Fort Saint George, Revenue Consultation of 24th November 1857.

No. 25. Read the following Extract from the Proceedings of the Board of Revenue; dated 4th November 1857, No. 3752.

In Cons. 4th Nov. 1857. Read letter from the Collector of North Arcot dated 2d July 1857.

(Here enter No. 158.)

In their proceedings of the 8th March 1855, No. 399, the Board submitted a draft of rules for levying teerwa jasty in North Arcot, and these were approved by Government in Extract Minutes Consultation 29th idem, No. 377, Revenue Department.

2. Previous to the issue of these rules Enamdars were not liable to pay an extra cess for a second crop raised on their lands. The imposition of this charge was manifestly just, but the rules were published too late to enable those Enamdars who had availed themselves according to usage of Circar water for a 2d crop to know that they thus became liable to additional assessment, and to refrain, if so disposed, from the cultivation of the second crop on those terms. Complaints have in consequence been preferred to the Board, and they think that under the circumstances stated, the new rules should in this respect take effect from the Fusly (1265) following their introduction, and not be acted on retrospectively.

3. They therefore recommend that the whole amount of excess levied on this account in Fusly 1264, which is only Rupees 9,800, should be refunded, and the balance Rs. 1,910-12-0 be written off.

4. From Fusly 1265 the new rule which is essentially just should be strictly followed, and if its operation seriously reduces the emoluments of village officers whose maniums are Registered as only single crop, application can be made for an addition to their chama; full information being afforded in each case.

(A true Extract)

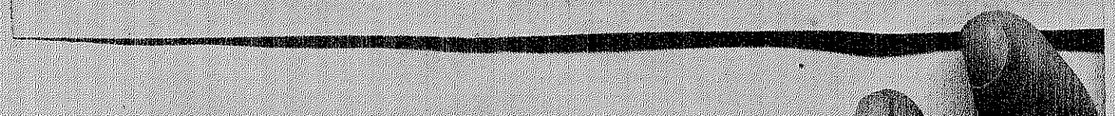

(Signed) J. D. SIM, *Acting Secretary.*

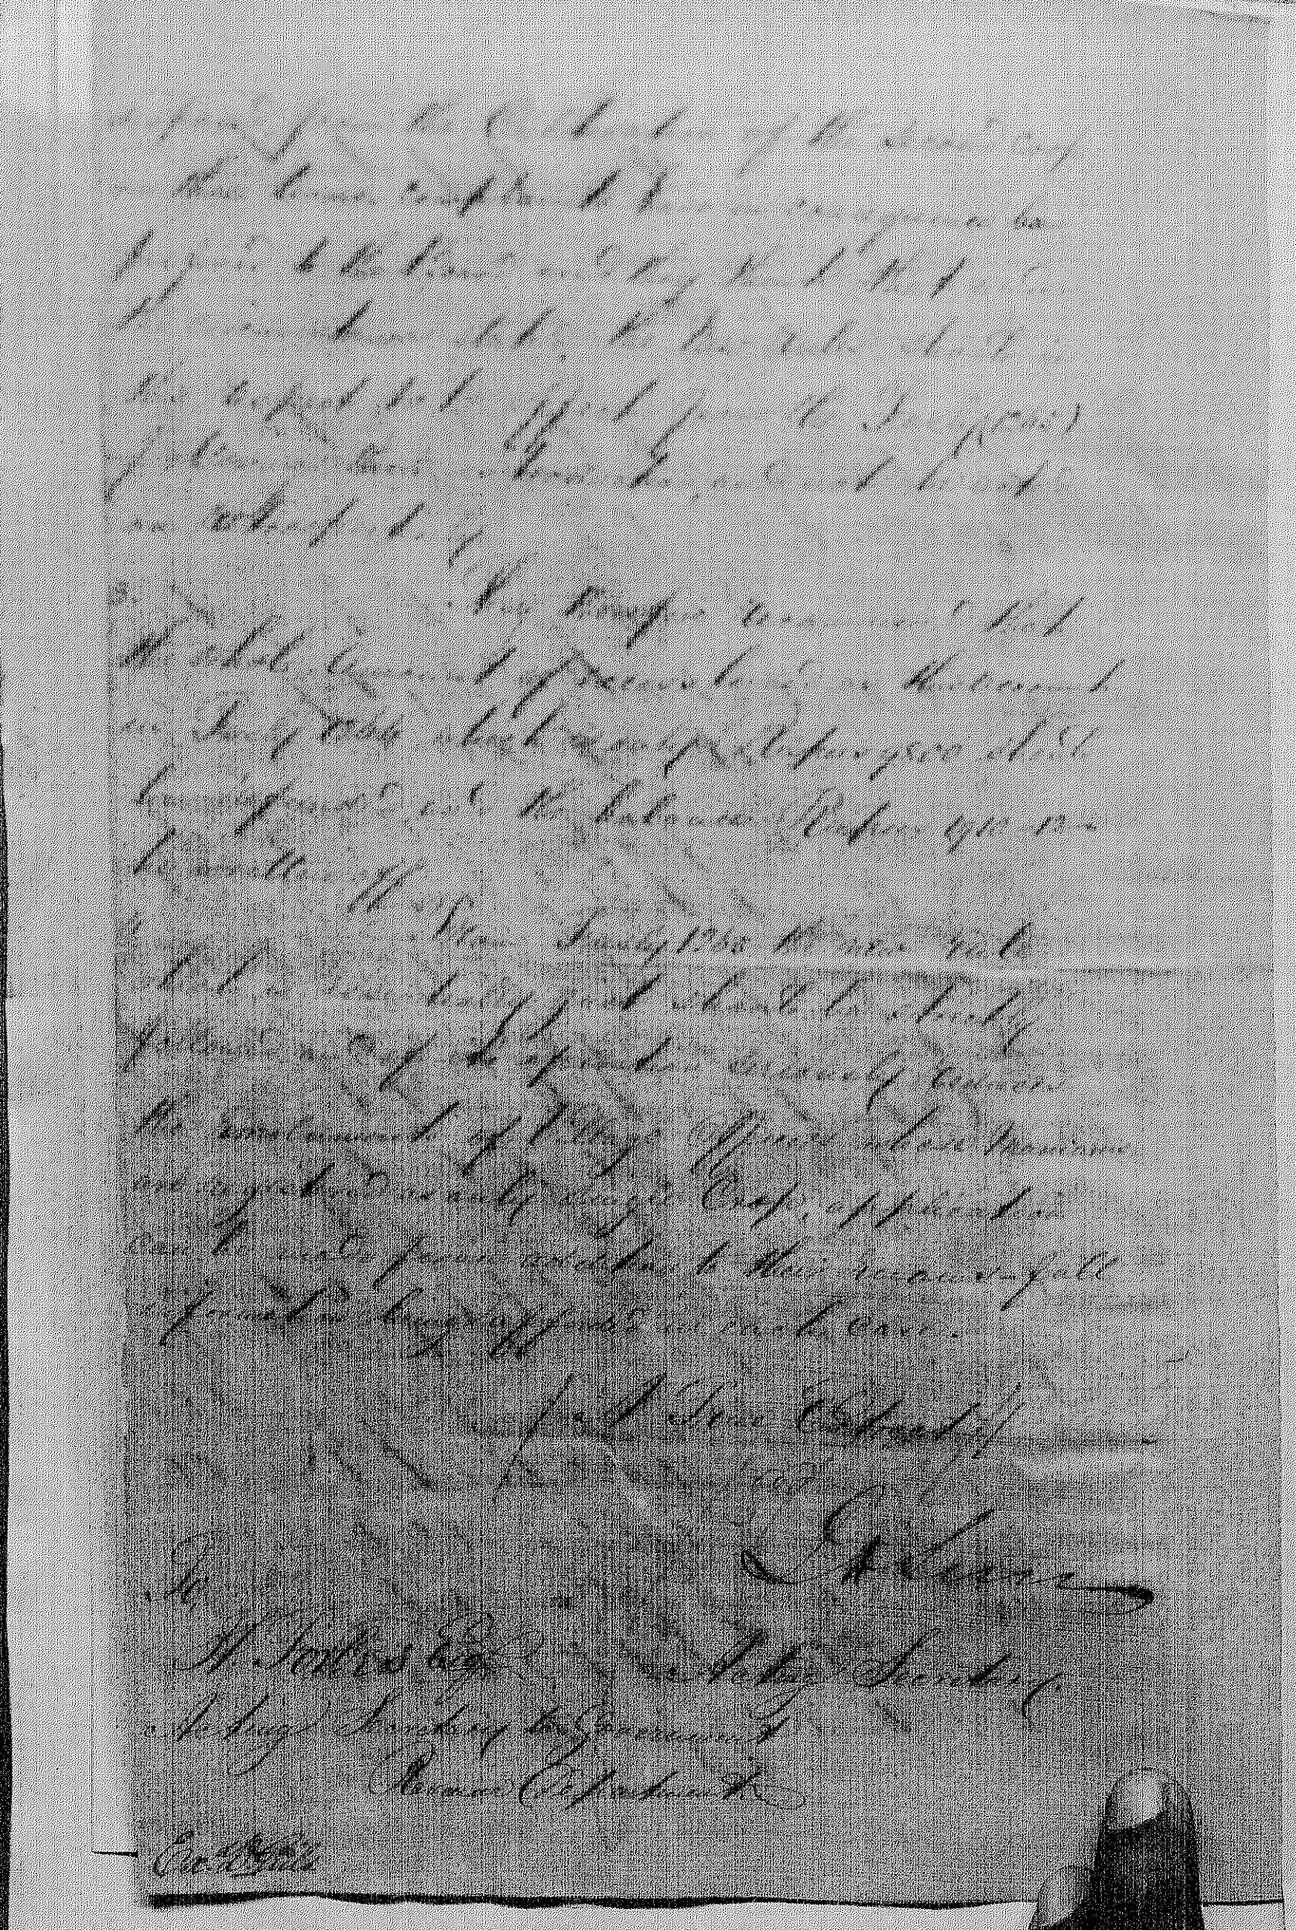

No. 26. ORDER thereon, No. 1188, dated 20th November 1857.

The Board of Revenue represent in the above Proceedings, that the rules for levying Teerwah jasty approved by Government in Extract Minutes Consultation 29th March 1855, were published too late in Fusly 1264 to enable Enamdars who had availed themselves according to usage of Circar water for a second crop, to know that they thus became liable to additional assessment, and to refrain if so disposed, from the cultivation of a second crop. Under this circumstance, the Board recommend that the rules should have prospective effect from Fusly 1265, that of the amount charged under them for Fusly 1264, viz. Rupees 11,710-10-0, Rupees 9,799-11-0 already collected be refunded, and that the balance Rupees 1,910-12-0 outstanding be written off to profit and loss. Agreeably to the above recommendation, the Right Honble the Governor in Council directs the enforcement of the new rules from Fusly 1265, and authorizes the refund of Rupees (9,799-11-0) nine thousand, seven hundred and ninety nine Rupees eleven and nine annas, collected for fusly 1264, and also that Rupees (1,910-12-0) one thousand, nine hundred and ten and annas twelve, still due by the Enamdars be written off (as) profit and loss.

(Signed) H. FORBES,
Acting Secretary to Government.
