Fort Saint George, Revenue Consultation of 24th November 1857.

No. 1189.

No. 27. Extract from the Minutes of Consultation under date the 20th November 1857.

The Right Honorable the Governor in Council is gratified to learn from the issue of the 30th Ultimo (the first received in the Government Office) that a District Gazette has been established in South Arcot.

2. From the Gazette alluded to, the Government observe that the office Translator in the Collector's Cutcherry has been abolished, and the salary thereof otherwise appropriated in the manner specified in the margin. The Acting Collector will be requested, through the Board of Revenue, to explain under what authority these alterations have been made in the establishment, reminding Mr. Taylor that such changes require the confirmation of the Government of India.

3. Among the items of intelligence communicated to the people in the Gazette, the Government notice the death of the King of Delhi and the apprehension of Nana Sahib, two events which there is no reason to suppose have occurred. Mr. Taylor will remember that the people should be able implicitly to rely on information contained in a Gazette published under his authority, and will be careful not to put forth matter the truth of which may be open to great doubt.

4. The Board in para. 7 of the Postscript to their letter of 7th March 1856, reported that they would intimate to Mr. Hall, that instead of cutting down the salaries of upwards of 70 servants as had been proposed in his letter dated 1st Idem, in order to create a fund to meet the expenses of the Press, it would be preferable to dispense wholly with the services of a few hands in any Department from which they could most conveniently be spared, in consequence of the introduction of Printing, and in these remarks the Government concurred, but they have not been informed what was done in consequence, and they are without information as to how the cost of the Cuddalore Press has been met. The Board will therefore desire Mr. Taylor to submit a report on the subject.

Ex. Mins. Cons. 12th April 1856, No. 875, para. 7.

(Signed) H. FORBES,
Acting Secretary to Government.
