Fort Saint George, Revenue Consultation of 24th November 1857.

No. 34. Read the following Extract from the Proceedings of the Board of Revenue; dated 30th September 1857, No. 3473.

* *In Cons. 30th September 1857.* Read letter from the Collector of Coimbatore, dated 30th June 1857,* submitting an estimate for woollen cloth for jackets for peons on the Neilgherries.

(Here enter No. 109.)

Resolved that the foregoing letter and its enclosures be submitted for the orders of the Right Honorable the Governor in Council, with reference to Extract Minutes Consultation, dated 23d November 1850, Nos. 1018, P. D.

2. It will be observed that the quantity of woollen cloth now indented for is 275 yards, or 42½ yards more than that supplied in 1855. The additional quantity is required for 17 peons, 14 of whom have been entertained under the authority of Government, dated 9th October 1856, and 18th April 1857, of the remainder one is employed in the Public Bungalow at Coonoor and the last two belong to the Huzzoor Establishment, but are now employed under the Coonoor Cutwall. The duties of these peons the Collector states are the same as those of the other peons on the Neilgherries.

3. The Collector explains that in consequence of the inferior quality of the cloth supplied to the constable peons in 1855, the jackets are entirely worn out and their renewal is necessary.

4. The Joint Magistrate of Ootacamund, the Board observe, is anxious that the peons stationed on the hills should be supplied with these jackets as early as possible, in consequence of the setting in of the monsoon and the severity of the weather.

5. Under these circumstances the Board recommend that sanction be granted for purchasing the biennial supply of woollen cloth for jackets for the peons employed on the Neilgherry Hills at a charge of Rupees 962-8-0.

Minutes Consultation 18th September 1855, No. 1238, P. D.

6. As Government have objected to cloth being supplied for such purposes from the Government stores, and as cloth of good quality cannot be obtained on the Hills, the quantity now indented for can, if Government sanction the estimate, be purchased in Madras and despatched to the Collector of Coimbatore.

(A true Extract.)
