Fort Saint George, Revenue Consultation of 24th November 1857.

No. 48. Read the following letter from W. E. UNDERWOOD, Esq., Reporter External Commerce; to H. FORBES, Esq., Acting Secretary to Government, Revenue Department, Fort St. George; dated Madras 5th November 1857.

SIR,

Adverting to para. 4 of Extract from Minutes of Consultation dated 28th July 1857, No. 759, wherein Government complain of the printing and binding of the Trade Statements for the year 1856-57, I have the honor to submit a sample* of binding which I propose for binding the Trade Statements for this year. The Printer has estimated the cost at 12 As. per copy, and I would respectfully solicit the sanction of Government to the measure, if the pattern is approved.

* *To be returned.*

The subject of the printing the Trade Returns for this year has engaged my attention, and I am endeavouring to get the work executed in a style superior to those previously printed. The 12 Annas for binding each copy will be in addition to the cost for printing. I have made enquiries in various quarters, and find the binding cannot be done cheaper. Mr. Pereyra assures me he derives no profit; but gives the binding to Government at the actual cost.

With reference to the observation of Government in the Minutes of Consultation above quoted, that "the paper used was very thick," I beg to observe that the Statements were printed on the paper supplied from the Fort St. George Gazette Press for the purpose.

No. 49. ORDER THEREON, No. 1200; dated 23rd November 1857.

The Government approve of the Trade Statements for this year being bound according to the pattern submitted with the foregoing letter at a cost of 12 Annas per copy.

(Signed) H. FORBES,
Acting Secretary to Government.
