2. The Collector reports that there are now 4 vacancies in the present Goomastah Establishment of the Huzzoor, and requests authority to distribute their salaries, amounting in the aggregate to Rupees 69, among a greater number of extra hands required for the work of the revision of the assessment. As no extra Goomastahs have been included in the additional Establishment proposed to be entertained for carrying out the authorized reductions, and the early completion of the work is very desirable, the Board recommend that the Collector be permitted to make such arrangements as he may consider necessary, on the understanding that the total amount of salaries of the vacant situations be not exceeded.
