Fort Saint George, Revenue Consultation of 1st December 1857.

No. 9. Read the following Extract from the Proceedings of the Board of Revenue; dated 13th November 1857, No. 3931.

Read the following letter from W. SULLIVAN, Esq., Acting Collector; to J. D. SIM, Esq., Acting Secretary to the Board of Revenue, Fort St. George; dated Kodaikanell, 28th September 1857, No. 206.

SIR,

I have the honor to bring to the notice of the Board that an ordinary estimate was in this year framed for repairing the tanks of the Ayn villages of Sudervadamungalum and Kackanandul in the Ramnad Zemindary. The District Engineer has forwarded for my orders a Report from one of the Sub-Overseers in his Department, in which it is stated that the execution of the work could not be satisfactorily completed unless the eight huts on the bank of the former tank measuring 6 grounds, and the two huts on the latter measuring 1½ grounds be removed.

2. I am given to understand that the people living in the huts have been occupying the same for a long time, and are the cultivators of the lands under the tanks.

3. I therefore beg that you will obtain sanction for my granting in lieu of the above lands 7½ grounds (the same extent) of Nunjah which has been lying waste upwards of ten years, viz. 6 grounds in the village of Sudervadamungalum and 1½ in Kackanandul taxed at annas 5-9 and annas 1-5, respectively.

---

6 Grounds in the village of Sadervadamungalum and 1½ in Kackanandul taxed at annas 5-9 and annas 1-5 respectively.

It is presumed that the villages in question form a portion of the enam lands of Sevagamy Nachear which were resumed to Government at her death. The Board of Revenue under this supposition recommend for sanction the grant of 7½ grounds of Nunjah which has been lying waste for upwards of 10 years, in lieu of a similar space occupied for many years in the bed of the tank by huts which it is now necessary to remove as obstacles to the repairs which have been sanctioned.

No. 10. ORDER THEREON, No. 1219; dated 25th November 1857.

The Government sanction the grant of the 7½ Grounds of Nunjah land referred to in the above Proceedings, if available, in lieu of a similar extent occupied by huts which is necessary to remove for the efficient repair of certain tanks in the Ramnad Zemindary.
