Fort Saint George, Revenue Consultation of 8th December 1857.

No. 5. Read the following Extract from the Proceedings of the Board of Revenue; dated 18th November 1857, No. 4026.

* *In Cons. 18th November* 1857.

Read letter from the Acting Collector of Malabar, dated 29th October 1857.*

(Here enter No. 164.)

Resolved that the foregoing letter be submitted for the orders of the Right Honorable the Governor in Council.

2. From the correspondence entered in the margin it will be seem that a charge of Rupees 42-4 was incurred in Fusly 1265 in cutting roads and building huts for the servants deputed to survey the Codongola Hill in the Wynaad talook of the District of Malabar. It was found necessary to incur this small expenditure in consequence of the Hill being densely clothed with jungle.

From Collr. 23d Nov. in Cons. 22d Dec. 1855.
Pro. do. 22d December 1855.

3. The survey was undertaken under the orders of the late Mr. Conally with a view of ascertaining the value of the Hill, but the servants having been attacked with fever, were obliged to leave the place and the work is consequently still unfinished. The Acting Collector however states that he does not think the extension of the survey desirable or possible in this way, and promises to submit a full report on the subject when reporting on the Wynaad Forests.

4. Under these circumstances, the Board support the Acting Collector's recommendation that sanction be granted for the amount expended on the survey.

(Signed) J. D. SIM, *Acting Secretary.*
