Fort Saint George, Revenue Consultation of 8th December 1857.

No. 19. Read the following Extract from the Proceedings of the Board of Revenue ; dated 13th November 1857, No. 3914.

Read again letter from the Collector of Chingleput dated 18th December 1856.*

**In Cons. 28th January 1857.*

Read again Proceedings to the Collector of Chingleput dated 28th January 1857.

Read also from the Collector of Chingleput dated 8th April 1857.†

†*In Cons. 13th Novr. 1857.*

(Here enter No. 91.)

Resolved that the above correspondence be submitted for the information of Government.

2. The Bungalow at Polavoyel is private property and being nearly a mile off the road is little used by travellers who have frequented another private building at the Red Hills close to the road. The proprietor of the latter building has consented to its use as a travellers' bungalow, and the Board have authorized the Collector to transfer the Polavoyel establishment to it.

3. Polavoyel and the Red Hills are the first stage (9¾ miles) out of Madras and few travellers halt there. The Board therefore see no necessity for Government constructing a building but advocate the retention of servants, to keep this important line of bungalows complete.

No. 20. ORDER THEREON, No. 1249; dated 3d December 1857.

The Board of Revenue, in their Proceedings above recorded, report that they have authorized the transfer of the establishment attached to the Palawoyel bungalow, which though private property, has hitherto been used by travellers, to another private building recently erected at the Red Hills.

2. Before passing orders on this reference, the Government request that the Board will report the number of bonafide travellers who stopped at either bungalow in the past 12 months. The Government are willing to maintain establishment at bungalows made use of by travellers, but the Red Hills are so close to Madras, that it seems improbable that travellers halt there, while their very vicinity to Madras and the attractions they possess, may induce persons to visit them from the Presidency, and it is not for such visitors that the Government is called on to provide a bungalow establishment.
