Resolved that the above letter be submitted for the information of Government, with reference to Extract Minutes Consultation dated 20th May 1857, P. W. D. P., No. 969.

2. The furniture for the Coonoor bungalow is being procured by the Engineer Department, and the only point now requiring consideration is the best mode of providing supplies for travellers. Colonel Cameron has not been able to engage a Purveyor for the Kulhutty bungalow as yet, and the Collector considers that travellers will have no difficulty in procuring supplies at Coonoor where there are bazars close at hand. Under these circumstances, it will probably be sufficient to attach to the building the number of servants sanctioned for the larger furnished bungalows in the Board's Circular Order dated 18th March 1857, No. 892.

3. The Board will supply the Collector with copies of the revised rules and traveller's books.

No. 24. ORDER THEREON, No. 1251; dated 3d December 1857.

With reference to the order of Government of the 20th May† last, the Board submit a letter from the Collector of Coimbatore, reporting that measures are being taken to furnish the Travellers' bungalow at Coonoor; and they recommend that the number of servants sanctioned for the larger furnished bungalows, in their Circular Order of the 18th March 1857, may be attached to that at Coonoor. Their Circular Order, above quoted, is based on the Proceedings of Government of the 19th February last; but on referring to those Proceedings, the Government do not find any authority given for entertaining servants, except at the four bungalows on the line of road to Trichinopoly, on which they were of opinion that the Bengal system of management might first be tried. So far indeed from granting any general sanction for the employment of servants, the Government specially requested the Board, in an order dated so late only as the 24th June last, to report the cost of the Establishment of servants, which it was proposed to maintain at the more frequented bungalows, as well as to submit an approximate estimate of the cost of supplying furniture to all bungalows, on roads having a continuous line of such buildings, in view to the sanction of the Government of India being obtained to the outlay necessary for carrying the arrangements into effect. The Board will however ascertain and report whether any Establishments, besides those specially sanctioned by Government for the four bungalows above referred to, have as yet been entertained at Coonoor, or any other station, in pursuance of their Circular of the 18th March last.
