Order no 12685/8 8th Dec 1857

Fort Saint George, Revenue Consultation of 8th December 1857.

No. 57. Read the following Extract from the Proceedings of the Board of Revenue; dated 21st November 1857, No. 4070.

Read letter from the Acting Collector of Canara dated 12th November 1857.*

* *In Cons. 21st Nov.* 1857.

(Here enter No. 110.)

1. Resolved that the above letter be laid before Government, with reference to Extract Miuntes Consultation 21st Ultimo, Revenue Department, No. 1079.

2. The suit referred to in the Extract Minutes Consultation above quoted, was instituted in August 1854, and reported in June 1855, and Government passed orders regarding the course to be followed by the Collector in Extract Minutes Consultation dated 21st June 1855.

3. No further information having been received on the subject, the Board in February 1857, requested the Collector to report whether the suit was likely to be prosecuted. The Collector replied to this reference in the following month, and a copy of his letter is enclosed in his present communication.

4. On receipt of the original orders, the Collector instructed the Government Vakeel to apply to the Court for the removal of the Collector from the list of Defendants, and to report whether the Plaintiff would proceed against the other Defendant.

5. The Government Vakeel attended to the first, but neglected the second part of his instructions, and this omission has been overlooked in the Collector's office.

6. The case in the meanwhile had been referred to the District Moonsiff of Bilghy for disposal, and the Collector was admitted a supplemental Defendant on the 20th July last.

7. The Collector does not notice the delay in the Judicial Department since the institution of the suit in 1854, but as the Board could not satisfactorily express an opinion on the explanation afforded by the Principal Sudder Ameen and District Moonsiff, Government will probably deem it preferable to refer the matter to the Court of Suddr Udalut; a course which will not involve greater delay than a second application to the Collector by the Board.
