1. This Inam is attached part but is apparently an ancient one. No. 16. Extract from the Minutes of Consultation under date the 10th December 1857.

Tabular report of lapsed enams in the Bellary District for the 1st Quarter of 1857, dated 14th April and submitted by the Board of Revenue 21st November 1857.

1. This enam is without grant, but is apparently an ancient one; it was alienated however in 1838 from the family who possessed it at the Pymaish, the daughter-in-law of the person in whose name it was entered in the public accounts having transferred it by gift to the deceased holder, her brother. The deceased's two daughters have other enams assessed at Rupees 140; and the Government accede to the recommendation of the Collector and Board of Revenue that those under notice be resumed.

2. This will be resumed according to the recommendation of the Board, and the policy indicated by the Honorable Court in their despatch No. 2 of 1851.

3. This enam is similar in nature to the last. It is, strictly speaking, resumable, but as the widow and son of the last holder are stated to be in poor circumstances, a moiety will be continued, as recommended, to the widow for her life; or should she predecease the son, to him until he attains his majority. The alienation of these enams is rightly stated by Mr. Pelly to be inadmissible under any circumstances; and the portion assessed at Rupees 6-5-6, transferred by gift to one Gopaliah in 1831 by the daughter of the possessor at the Pymaish, and since enjoyed by the donee's son, will be at once resumed.

4. The Government observe that enams of this description have all legally reverted to Government (vide Despatch from Honorable Court of Directors No. 2 dated 12th February 1851 para. 25, Revenue Department;) and their being continued at all is solely a matter of indulgence; so that no heirs of a deceased incumbent can claim a continuance on ground of long possession, or on any other ground; and the continuance of the enam in the present case to the son of the deceased, without any limitation as to life, will not tend to impress the family with the necessity of looking to other sources than the enam for support. The Government are of opinion that it will be sufficient to continue the share enjoyed by the deceased assessed at Rupees 69-5-3 to the widow, to be resumed finally at her death.

Ghooty Talook. Viroopapoorum.

5. This is a grant of unknown origin, and has been held by the deceased, it is supposed by virtue of a gift, though no documentary proof is forthcoming. No title is proved, and no long possession, and the claimants are otherwise provided for; the resumption recommended is therefore sanctioned; but the Governor in Council must request that the Collector will include in his next Tabular Report those enams which he has himself continued to the heirs of the deceased, being "own Bhutwarty and other gift enams." (Statement column 8).

Acting Secretary to Government.
