Fort Saint George, Revenue Consultation of 15th December 1857.

No. 45. Read the following Extract from the Proceedings of the Board of Revenue; dated 11th September 1857, No. 3032.

Read again letter from the Acting Collector of Masulipatam dated 27th April 1857,* requesting sanction for the entertainment on the permanent Establishment of certain servants transferred from the Collector's to the sub-Collector's Office.

Read also letter from the same Officer dated, 9th June 1857,† forwarding a Statement shewing what servants of the Collector's fixed and
† In Cons. 11th September 1857, No. 2300. Extra Establishments were transferred to the Sub-Collector.

(Here enter No. 101.)

Resolved that the foregoing letters be submitted for the information and orders of the Right Honorable the Governor in Council, with reference to Extract Minutes Consultation, dated 29th May 1857, No. 511, Revenue Department.

2. It will be seen from the correspondence noted in the margin that when the appointment of a Sub-Collector of Masulipatam was authorized the cost of the office Establishment was fixed at Rupees 589½ per mensem. This sum was composed of Rupees 443 sanctioned by the Supreme Government, and Rupees 146½ the pay of the servants transferred from the Collector's Establishment, which latter amount was subsequently reduced to Rupees 106½ by the abolition of the Frontier Sayer.

3. The Acting Collector now reports that only 67 of the 106½ Rupees was the pay of the permanent Establishment sanctioned on the 11th January 1845, and that the balance Rupees 39½ was the salary of an Extra Establishment, which required an annual sanction, but was through inadvertence omitted in the Estimates for 65 and 66. The difference of ½ Rupee between the pay of the transferred servants and that of the present Establishment has been struck out of the charge.

4. Under these circumstances the Board recommend that authority be granted for the disbursement of Rupees 39½ per mensem on account of the Extra Establishment in question for Fuslies 1265 and 1266, and that sanction be obtained for its permanent entertainment as part of the Sub-Collector's Establishment. This Establishment has been included in the Estimate of additional Establishments for Fusly 1267 which will be shortly laid before Government.

2. It will be seen from the correspond-
ence noted in the margin that when the
appointment of a Sub Collector

of

of the office Establishment was fixed at
 Rupees 58 1/2 per annum. This sum was com-
 posed of Rupees 450 sanctioned by the Supreme
