Fort Saint George, Revenue Consultation of 15th December 1857.

No. 53. Read the following Extract from the Proceedings of the Board of Revenue ; dated 21st November 1857, No. 4045.

* In Consultation 28th July 1857. Read again letter from the Acting Collector of Masulipatam, 10th June 1857,* requesting that sanction may be obtained for writing off balances of Maramut Nisf, amounting to Rupees 7829-8-8.

† In Consultation 21st November 1857. Read also letter from the same Officer dated 5th August 1857† furnishing explanation regarding the discrepancy noticed by the Board as to the actual sum to be written off.

(Here enter No. 146.)

The balances of Maramut Nisf noticed in the foregoing communications amount to Rupees 8,335-14-2 of which Rupees 506-5-6 are set apart as recoverable. The remainder amounting to Rupees 7,829-8-8 the Acting Collector recommends for remission as irrecoverable. Nearly the whole of this sum is of long standing and about two thirds of it were improperly included originally in the demand against the ryots.

2. The Maramut Nisf as the Government are aware is an ancient collection made to meet the repairs required to minor works of irrigation. It is irregularly imposed and is retained only till arrangements can be finally made as to what works shall be kept in repair by the ryots.

3. The balances under consideration extend to the close of Fusly 1265 1855-56 and as they consist of sums either erroneously brought into the accounts or irrecoverable from lapse of time, the Board recommend that this amount viz. Rupees 7,829-8-8 may be written off.

4. The existence of these balances was brought to the notice of Government in 1855 by the Commissioner for the Northern Circars, who remarked on that occasion that they were retained in the accounts for future disposal.

(A true Extract.)
