Fort Saint George, Revenue Consultation of 23d December 1857.

No. 1310.

No. 5. Extract from the Minutes of Consultation under date the 16th December 1857.

Supplemental Tabular Report on lapsed enams in Vizagapatam for the 1st Quarter of 1857 dated 15th June, and submitted by the Board of Revenue on the 26th November 1857.

1. The enams reported upon in the Tabular Statement above recorded, appear, for the most part, to be either unsupported by documentary evidence, or to have been granted by persons incompetent to alienate the public revenue to private purposes.

2. This grant is wholly unsupported by any of the public account or any other document; the fact that it was enjoyed before the Permanent Settlement, and that it has been regularly transmitted to the last holder in the direct male line, rest therefore entirely on the assertions of the claimant. The Government direct that it be resumed.

3. This enam was possessed at the Permanent Settlement by the uncle of the deceased holder. The claimant states that it was a grant made by the villagers, and it is therefore unauthorized; as recommended by the Board of Revenue will be at once resumed.

4. This grant is wholly unsupported and will be resumed.

5. This will be similarly treated being an unauthorized alienation by a Mokasadar.

6. These grants are not only unsupported by the accounts, but there is no evidence as to how they came into the possession of the last holder. They will be resumed as proposed by the Board of Revenue.

7. This came into the possession of the deceased in 1834 by purchase; and will be continued to the claimant Jogiah, his son, but only for life, as the grant is one made by the villagers only. The Government observe, however, that the omission of all mention of the amount of purchase money in the deed of sale renders the authenticity of that document questionable. This may be, notwithstanding, in accordance with local custom.

8. Nos. 8 and 9 as the Board remark, have passed out of the family of the original grantee by alleged sales of which there is no evidence, and adverting to the asserted origin of the grants, the grantees themselves can have had no hereditary title. They will be resumed at once as suggested.

9. This enam is stated by the claimant to be a grant by the villagers; it has been alienated from the grantee's family, and will be treated as recommended. The Board will be good enough to direct the Collector to give any necessary relief to the holder, should the land be unable to bear the assessment fixed on it.

10. The last two enams on the list were obtained by purchase by the deceased in 1834 and 1841; they both appear to be unauthorized in origin, but adverting to the valuable consideration said to have been given, they will be continued to the son of the deceased purchaser for his life.

(Signed) H. FORBES,
Acting Secretary to Government.

№ 4253.

Remarks of the Board of Revenue on a statement of lapsed Enams.

1 These Enams the Collector proposes to continue, simply on the score of long possession, tho' this itself is not sufficient to constitute a valid title

2 №s 2 - 3 - 5 & 6 appear to have been conferred in charity by parties, who had no power to alienate lands in perpetuity. The Board recommend their resumption as unauthorized alienations. The alleged purchase of №s 5 and 6 is unsupported by documentary evidence.

3 №. 1 is said to have been granted long prior to the permanent settlement, and having been regularly transmitted to the last holder in the direct male line the Board recommend its renewal in favor of his son Rajemah for life. The grant is not supported

supported by any entry in the public account. The assessment on the land is 70 Rupees.

4 No 2 was granted by the Proceedars in A D 1794 or subsequent to the period fixed in section II Regulation XXXI of 1802. It is also unsupported by the Public accounts — and the Board consider should be resumed

5 With the exception No 7 to 12 of No 9 which was granted by a Proceedar, all the other grants were made by Villagers, No 9 and 11 having however been acquired by bonafide purchase in 1834 according to the Bills of sale received with the Collectors letter of 21st October 1857 V No 12 having been purchased at a Court sale, the Board recommend their being continued to Jogeah Son of the last holder for life, only subject to the present rates

rates of Quit rent

Nos 8 and 9 have passed out of the family of the original Grantee by alleged sales of which there is no evidence -

No 10 was transferred to the last holder in 1838 by the grantee's son from his inability to discharge the Quit rent. The Board viewing these as recent and unauthorized alienations recommended their being brought under assessment. The Board observe that the lapses now reported occurred so far back as 1861 -
