No. 8. Read the following letter from J. T. MACLAGAN, Esq., Secretary of the Agri-Horticultural Society to the Secretary to Government Department of Revenue and Public Works, Fort St. George dated Madras, 26th November 1857.

SIR,

Referring to the orders of Government noted in the margin, I have the honor by desire of the Committee of the Agri-Horticultural Society to acquaint you that they have obtained possession of the property for the purchase of which the sanction of Government was granted at a total cost of Rupees fourteen thousand two hundred and seventy, annas two and pice six (14,270-2-6) leaving in their hands a balance of Rupees one thousand and eighty nine, annas thirteen and pice six (1,089-13-6) to the credit of Government.

Extract Minutes of Consultation Public Department, No. 434, 31st March 1855, authorising the purchase of certain lands for the enlargement of the Horticultural Gardens at a cost of not more than Rupees 20,000. Extract Minutes of Consultation Public Department, No. 762, 12th June 1855, sanctioning the payment of Rupees 15,360, for the purchase of the lands in question.

As the expense of laying out the new Garden will be very considerable, and as the Society have lately had to pay for the passage and outfit of a new Supreintendent, and for the re-building of his house, the cost of which was not fully defrayed by special subscription among the members, the Committee respectfully solicit the sanction of the Right Honorable the Governor in Council, for the approbation of the balance above stated to these extra expenses.

I have the honor to request therefore that you will submit this application to His Lordship in Council and favor me with as early a reply as possible that the present season may be taken advantage of to commence the necessary proceedings.
