Fort Saint George, Revenue Consultation of 23d December 1857.

No. 1348.

No. 75. Extract from the Minutes of Consultation under date the 23rd December 1857.

Tabular Report on lapsed enams in North Arcot for the third Quarter of 1857; *dated 4th and submitted by the Board of Revenue on the 24th November* 1857.

1. No lapses have been reported in the Collector's division, and only one by the Sub-Collector, which occurred no less than fourteen years ago, and no explanation is afforded of the reason of the delay in reporting the case. The Return is further defective without the document under which the enam is said to have been held and which still exists, has not been transmitted with the report for the information of Government, according to standing directions. The relationship to the deceased of the parties named in column 7 should have been there specified; and lastly, as the Board remark, it is not shewn who has possessed the enam since the death of the last holder in 1843.

2. The Government request that information may be furnished respecting this latter point, and that the Persian document alluded to in para. 3 may be transmitted to them; orders will then be passed as to the resumption or continuance of the enam.

(Signed) H. FORBES,
Acting Secretary to Government.

Read Tabular Report on Lapsed Inams in Vizagapatam for the third quarter of 1857; submitted with Extract from the proceedings of the Board of Revenue dated 24 Nov. 1857, No 4467.

It appears that Eclapses have been reported in the Collectors division, and only one by the Sub Collector, which occurred no less than fourteen years ago; and no explanation is afforded of the reason of the delay in reporting the Case.

The return is further defective inasmuch as it does not appear that the Inamdar is said to have received a copy of the document, which still exists, but has not been transmitted with the Report

for the information of Govt.
according to standing direction
~~either been passed, or are to~~
to be executed
in relation to the parties
