Fort Saint George, Revenue Consultation of 23d December 1857.

No. 1351.

No. 80. Extract from the Minutes of Consultation under date the 23rd December 1857.

Tabular Report on a lapsed Enam in Trichinopoly, dated 7th May, and submitted by the Board 3rd December 1857.

This grant is clearly resumable, for want of hereditary title; and the Government see no reason why this course should not be followed, provided that no hardship is thereby inflicted on the members of the deceased family. As no information is derivable from the statement, as to the claimants possessing any means of support independent of the Enam under notice, the Government request that this omission may be rectified.

2. The statement, it is observed, has already been seven months in the Board's office.

(Signed) H. FORBES,
Acting Secretary to Government.
