No. 110 ORDER THEREON, No. 1356; dated 24th December 1857.

With the Proceedings above recorded, the Board of Revenue submit a communication from the Collector of Vizagapatam, reporting that a District Gazette has been started by him at his own cost and risk, and submitting a few copies of the publication.

2. The Government observe from the issues submitted, that the rule prescribed in Extract Minutes of Consultation dated 1st April 1857, No. 311, in regard to the items of news which should be published in the District Gazettes, has not been observed. The Board will therefore be good enough to instruct Mr. Reade to confine the Gazette strictly to the rule alluded to, and charge the net cost of the paper in a contingent bill, pending the establishment of a Press at the cost of Government, for which the Board will adopt early measures.

3. Leading articles such as appear in some of the issues now submitted are considered by the Government to be inconsistent with the general rules, prohibiting connection with the Press on the part of public servants and as touching on matters unfit for public discussion by the officers of Government.

Acting Secretary to Government.
