No. 117 ORDER THEREON, No. 1360; dated 24th December 1857.

No. 778.

In para. 2 of Extract Minutes Consultation dated 1st April 1857, No. 311, the Collector of Salem was requested, through the Board of Revenue, to supply Government with a copy of the District Gazette published under his orders; but observing that, up to the close of July, no copies of this Gazette were received at their office, the Government, on the 3rd of August, desired that the Collector might be called upon to explain the cause of the omission. This explanation is now furnished, and it appears from it that a copy of the Gazette has been regularly forwarded to the Government from the 13th August last, or the date of publication of the 2nd issue; but as no copy has been received at the Government office, the Collector will be instructed, through the Board of Revenue, to ascertain what has become of the copies dispatched, and to submit, in the mean time, a fresh copy of each of the numbers issued since the 13th August.

2. The issues of the Gazette in the Districts noted in the margin* are not correctly received at this office, as will be perceived from the following Memorandum of the numbers missing.
