Fort Saint George, Revenue Consultation of 6th February 1857.

No. 77. Read the following *Extract from the Proceedings of the Board of Revenue*; dated 17th January 1857.

Read Tabular Report on the lapsed Enams of the District of Madura. Dated 25th Nov. 1856, in Cons. 17th Jan. 1857.

(Here enter No.)

Ordered that the above letter be submitted for the information and orders of the Right Honorable the Governor in Council.

2. The Collector reports that the records of his office do not supply any information as to the nature of this grant or the terms upon which it was made, and that the only documents now forthcoming (dated 1738 and 1756), throw no light on the question, merely showing the grant to be of old standing. It appears that the original sunud was at one time among the records of the Cutcherry, and was never returned to the party, but it is not now to be found.

3. The villagers however represent the enam as having been originally granted for the maintenance of certain Mussulman tombs which are in existence near the eastern entrance of the town of Madura.

4. Mootalib Shah the first incumbent whose name appears in the accounts, was followed by Sharuff Shah, Jemushaw, and Hoossain Buksh, who were severally disciples of their predecessors. The last incumbent Syed Nabee, son of Hoossain Buksh, died in 1851.

5. The Collector remarks that from the absence of documents bearing upon the subject, he is unable to pronounce an opinion as to the object or nature of the grant whether hereditary or otherwise, but in view of the lengthened period of its enjoyment, he recommends that the enam be continued to the next heir.

6. On the ground of long enjoyment the Board recommend that this Enam, which comprises $\frac{2}{3}$ of that held under the original grant, be continued to Kader Shah, the eldest son of the deceased, and that Hoossain Shah who at present holds the remaining $\frac{1}{3}$ share, in virtue of his title as foster-son of the Hoossain Buksh, be allowed to remain in possession of that portion. On the death of the above individual, the enam may properly be assessed to the revenue, as the information submitted, though defective, points to its having been made for subsistence.
