Fort Saint George, Revenue Consultation of 24th February 1857.

No. 14. Read the following *Extract from the Proceedings of the Board of Revenue*; dated 10th February 1857, No. 475.

Read letter from the Acting Collector of Malabar, dated * In. Con. 10th February 1857. 18th December 1856.*

(Here enter No. 171.)

Resolved that the above letter be submitted to Government, with the Board's recommendation that the temporary establishment sought by the Acting Collector be granted for a period of 3 months.

2. The Board are not aware that a similar charge has been found necessary in other Districts, but the circumstances of Malabar are wholly exceptional. Land is of high value, and the various circumstances detailed by the Acting Collector and Mr. Collett in this letter and its enclosures, show that a correct valuation and adjustment of the claims of the owners and occupants will be a task of much difficulty. The Board approve of the course of procedure proposed by the Acting Collector, and are satisfied that the assistance he now applies for is not more than is really necessary for a proper and speedy settlement of the matter, both important considerations. They also recommend that a sum of Rupees 300 may be placed at his disposal for the purposes mentioned in para. 5.
