Order no 182 dated 19th Feb 1857

Fort Saint George, Revenue Consultation of 24th February 1857.

No. 16. Read the following letter from H. F. C. CLEGHORN, Esq., M. D. Conservator of Forests; to the Secretary to Government, Revenue Department, dated Madras 11th February 1857, No. 8.

SIR,

I have received intimation of the serious illness of Corporal Reid, an excellent Overseer under Captain Michael, Superintendent Anamally Forest, who has applied for immediate assistance.

I have applied in various quarters, and examined a number of candidates. The best of them is Mr. Lenum, Artificer, strongly recommended by Major Maitland, as a man of exemplary character and who acted for Conductor Bowman in the Timber Department of the Gun Carriage Manufactory, who can survey, draw plans, make up Timber carts. A person possessed of these qualifications is not easily procured, and I venture to request that Government will allow this selection from the Corps of Ordnance Artificers.

I need scarcely observe that, at present it is impossible to obtain such Assistants as are practically acquainted with the management of Forests, and the meeting of an emergent demand is a matter of extreme difficulty.

In the event of this request being sanctioned, I would propose that Mr. Lenum should receive Rupees 60 per mensem, the lowest rate allowed to Overseers in the Forest Department.

No. 17. ORDER THEREON, No. 182; dated 19th February 1857.

Resolved that application be made through the Military Department for the services of Artificer Lenum for employment in the Forest Department.

(Signed) H. FORBES,
Acting Secretary to Government.
