Order no 196 dated 24th Feb 1887

Fort Saint George, Revenue Consultation of 24th February 1857.

No. 44. Read the following letter from W. E. UNDERWOOD, Esq., Collector Sea Customs Madras; to T. PYCROFT, Esq., Chief Secretary to Government Fort Saint George, dated Madras 5th February 1857, No. 30.

SIR,

1. I have the honor to forward the papers noted in the margin* and also a bill from the Superintendent of the Fort Saint George Gazette Press, for extra payment to workmen employed after hours in printing certain Returns for the use of this Department, and beg to recommend that the sanction of Government be obtained for the same.

2. The parties for whom this gratuity is solicited worked after hours, by which means the Trade Statements were enabled to be prepared three months earlier than they otherwise could have been, no charge has been made against this Department for printing the forms.

3. I feel greatly indebted to Mr. Smith for undertaking the work which he executed in a highly satisfactory manner in a very short space of time, and I trust the very small gratuity proposed to be given to the printers may not be withheld.

From F. LUSHINGTON, Esq., Civil Auditor; to W. E. UNDERWOOD, Esq., Collector of Sea Customs Madras, dated 28th January 1857, No. 2532.

SIR,

In returning unpassed the accompanying bill of the Superintendent of the Fort Saint George Gazette Press for extra payment to workmen employed after hours in printing the blank Import and Export Returns for the year 1856, for the Sea Custom Department received with your letter of the 26th Instant, I have the honor to inform you that, the charge in question is not of the nature of the "ordinary and usual Contingent charges" and it is not therefore competent to me to pass it. I would therefore suggest that you should submit the same for the sanction of Government.

(Signed) W. E. UNDERWOOD,
Collector Sea Customs.

No. 45. ORDER THEREON, No. 196; dated 24th February 1857.

The Right Honorable the Governor in Council sanctions the bill submitted by the Collector of Sea Customs for extra payment to the servants of the Fort Saint George Gazette Press employed after hours in printing the blank Import and Export Returns for the year 1856, amounting to Rupees (50) fifty; but it must be understood that this is not to be drawn into a precedent. The practice of paying remuneration to the fixed Establishment for works done after Office hours should not be encouraged, as it is objectionable on many accounts.

(Signed) H. FORBES,
Acting Secretary to Government.
