To

The Collector of

Coimbatore.

Sir,

With reference to your letter dated 19th ult. July 1856 I am directed by the Board of Revenue to inform you that they have just received intimation of the arrival from America of a Foolscap sized Washington Press which was ordered out to replace one of the Collectorate Presses transferred to the Educational department. The Board will adopt immediate measures for despatching the Press to your address.

2. A set of Tamil Type is also now available in this Office, and will be forwarded to you at the same time.

3. It is observed from a demi official note forwarded by you to the Secretary under date 15th ult. August 1856 that you will be able to provide yourself with such press materials as may be required. you will therefore purchase a sufficiency to enable you to commence working the press in Tamil at as early a date as possible.

4. The Board regret that they have not the means of furnishing you with any English

Type at present, but they will send you
a set from the first supply they receive, should
you however in the mean time be able to
obtain any good English type elsewhere,
they will be prepared to recommend its
purchase to Government.

5 It is proposed in the Statement
which accompanied your letter, under reply, that the
following reductions shall be made to meet
the expenses of the press. Viz.t.

1	Native Doctor	11	" — "
1	Hoozoor Duffadar	10	8 — "
1	Shroff	15	" — "
		39	8 "

6. Since the submission of your
letter you will have observed from the
Boards Circular of 26th September 1856
that the Government insist upon the art
of working the press being met "by reductions
in those departments where work is lessened."
The reductions you propose will not there-
fore meet with their approval, and
I am desired to request that you
will suggest some other arrangement
bearing in mind the particular require-
ment of Government on this point.
