No. 39. Read the following *Extract from the Proceedings of the Board of Revenue; dated 4th March* 1857, *No.* 673.

Read letter from the Collector of Cuddapah dated 11th February 1857.*

**In. Cons. 4th March* 1857.

(Here enter No.)

In the foregoing letter, the Collector applies for the undermentioned articles required for the use of the Press, purchased at Bellary for his District.

6 lbs. of printing ink.
15 lbs. of space rules.
20 feet of brass rules.
50 lbs. of quotations.
30 lbs. of 2 line Long-Primer, quadrats.
2 oz. of sponge.

2. The Board resolve to submit the Collector's application to Government with their recommendation, that with the exception of the Printing ink, the articles indented for may be supplied from the Government Press. The Board will adopt measures for procuring the ink in the market and will require the Collector to remit its value, charging the same in his Press Contingent Account.

3. The Board regret to find that the Press has not yet been brought into use. The articles now indented for might have been applied for at an earlier period, and the want of them under such circumstances cannot be admitted as a valid reason for not having the Press in operation.
