Fort Saint George, Revenue Consultation of 31st March 1857.

No. 27. Read the following *Extract from the Proceedings of the Board of Revenue*; *dated 18th March 1857, No. 839.*

Read letter from the Acting Collector of Ganjam dated 14th February 1857,* forwarding a notification of the intended sale by auction of the old Military buildings in the Fort and Town of Ganjam on the 15th of April next for publication in the Official Gazette.

*In Con. 18th March 1857.

(Here enter No. 19.)

1. Resolved accordingly that the foregoing letter be submitted for the information of Government, with reference to Extract Minutes Consultation 3d November last, No. 2037. P.W.D. and that the notification be forwarded for publication in the Fort Saint George Gazette.

2. The Board do not think it necessary that the privilege of leasing the property should be reserved to Government in addition to that of re-purchase. Such a stipulation would only reduce its value as purchasers would probably demur to being compelled to rent their property to Government for such periods as might suit the public convenience. The probability of Government ever requiring the property is also too remote to render such a condition necessary.

3. The Board observe that besides the intimation contained in the notification that the buildings in the Fort may be at any time re-purchased by Government at a fair valuation, a provision to that effect should be inserted in the deeds of sale which will be given to the parties purchasing.

4. For the reasons stated by the Collector the Board approve of his intention not to put up the Fort itself for sale.

(A true Extract.)

No. 28. ORDER THEREON, *No. 298; dated 27th March 1857.*

Under the circumstances above stated, the Government approve of the notification and direct its publication in the Official Gazette.

(Signed) H. FORBES,
Acting Secretary to Government.
