No. 41. ORDER THEREON, *No.* 304; *dated 28th March* 1857.

The Board of Revenue submit a letter from the Collector of Cuddapah dated 17th December 1856, proposing certain reductions in the Revenue and Judicial Departments of the District, and recommend the proposal for the sanction of Government.

2. The Government observe from the Statement appended to para. 2 of the Collector's letter that the sum of Rupees 1,93,629-8, is inserted as the monthly cost of the present Establishment, whereas it is doubtless the yearly cost; and from it is deducted Rupees 91, the

amount of the monthly reduction proposed to be effected in the existing Establishments. It is also to be remarked that, in the sum of 91 Rupees, are included Rupees 35 granted by the Civil and Subordinate Courts, and this amount is deducted from the aggregate amount of the Collector's Establishment. The Statement ought not to have been embodied in the letter, but should have been submitted separately, as directed in Extract Minutes Consultation of 16th September 1856, No. 990. These inaccuracies have escaped the attention of the Board of Revenue.

3. The alterations proposed by Mr. Murray are however correctly represented in the subjoined table, and these the Right Honorable the Governor in Council is pleased to sanction.

4. It is hoped that the Collector will find the Press of more use than he seems to anticipate. Mr. Murray states that the Goomastahs in the Moonshee Department are, among other duties, engaged in copying out the orders into the books, meaning the preparation of office copies. He will observe from the list attached to the Memo. circulated with the Board's Proceedings of the 13th December 1855, No. 3343, that a number of blank forms of many of the usual Takeeds, Yadasts, &c., are printed in the Collector's Press in North Arcot at once. A similar course will relieve the Establishments of Cuddapah of much writing, and office copies can also be filled up in the same printed forms and pasted in a book.

Acting Secretary to Government.
