Fort Saint George, Revenue Consultation of 7th April 1857.

No. 15. Read the following *Extract from the Proceedings of the Board of Revenue; dated 7th March* 1857, *No.* 700.

* *In Cons. 7th March* 1857. Read letter from the Collector of South Arcot dated 26th February 1857.*

(Here enter No. 42.)

As it is generally understood that a despatch has been received from the Honorable Court of Directors, laying down the principles on which the assessment is to be determined at the new survey, the Board deem it inexpedient to furnish the Collector of South Arcot with specific instructions as to the mode in which it is to be conducted in his District, without first submitting his letter for the consideration of Government, which they accordingly resolve to do.

2. They concur with Mr. Hall in opinion that to enable Mr. Grant to perform the duty committed to him effectually, it is necessary that he should be aided by the establishment he proposes. If a sum has been sanctioned for the survey of the Presidency, it would seem natural that the expenses to be incurred in South Arcot should be defrayed therefrom; and the surplus available from the former sanction of the Government of India for the District of South Arcot may be made to suffice until authority is obtained from the Government of India for entertainment of the establishment required for the survey of the Presidency in general. Mr. Hall's intention to attach Teroovengadacharry to Mr. Grant is approved of. The arrangement the Board think should be made at the earliest practicable period.

No. 16. ORDER THEREON, *No.* 317; *dated 2d April* 1857.

The Board are requested to submit an application in the prescribed form for the Establishment proposed to be attached to Mr. Grant, to enable him to carry on the assessment of the talooks which have been placed under his charge. They will at the same time offer their opinion on those parts of Mr. Hall's letter, to which they have not now adverted. When the application is submitted to the Government of India, it will be accompanied by an intimation that the expense will be charged to the general re-assessment of the Presidency, ordered by the Honorable Court in their despatch of the 17th December 1856, No. 17, on sanction for the necessary establishment being received from the Government of India.
