B. Owing chiefly to a change in the Kistbundy and also to smaller outstanding arrears of Peshcush.

E. Unexplained.
F. Owing to the favorable character of the season and the high prices obtained by the ryots for their produce.

No. 20.

ORDER THEREON, *No.* 319; *dated 3d April* 1857.

1. Ordered that the Comparative Statement of the Collections of Revenue in the several Districts of the Madras Presidency for the month of January 1857, be forwarded to the Honorable the Court of Directors.

2. The Government observe that the net decrease of Rupees 84,132 in Tanjore, entered in column 21 of the Statement, is attributed by the Board "chiefly to the suspension of 20 per cent. of the Woolungoo demand." The gross decrease in land revenue arrears, is given in column 9 at Rupees 1,64,556; but as there was an increase of Rupees 12,605 in current land revenue, and of Rupees 67,819 in extra sources, it appears to Government that the Board should more properly have said that the decrease was owing wholly, instead of chiefly, to the cause above stated.

3. One of the causes assigned in remark C for the decrease of Rupees 1,42,533 in Masulipatam, is the falling off in the sales of salt, owing to the detention of the Lumbadies by the Annicut channels. The Government request that the Board will make some enquiry regarding the cause here stated, with a view to measures being adopted for its removal, and will report the total amount of decrease that has occurred in the sales of salt, and whether any part of it has been made good by the sales of the past month.

(Signed) H. FORBES,
Acting Secretary to Government.

Extract from the Minutes of Consultation

Under date the 2nd April 1857.

Comparative Statement of the Collections of Revenue in the several Districts of the Madras Presidency for January 1857 in Fusly 1266, submitted by the Board of Revenue on the 9th March 1857, N 732.

Ordered that the comparative Statement of the Collections of Revenue in the several Districts of the Madras Presidency for the Month of January 1857, be forwarded to the Honorable the Court of Directors.

The Government observe that the net decrease of Rupees 84,132 in Tanjore entered in Column 21 of the Statement, is attributed by the Board chiefly to the suspension of 20% of the Woolungoo demand. The gross decrease

I think some enquiries should be made about the determination of the Cumberdies by the eminent Channels- tans the decrease in the Sales of Salt entered in Col: 17 at 6,189 has made made good in Feby? There was not near so large a decrease in Pregs demands -

decrease in land revenue arrears
is given in Column 9 at Rupees
164556; but as there was
an increase of Rupees 12,605
in current land revenue,
and of Rupees 67,819 in extra
sources, it appears to Govern-
ment that the Board should
more properly have said —
that the decrease was owing
wholly, instead of chiefly,
to the cause above stated.

One of the causes
assigned in remark C for
the decrease of Rupees 142,533
in Masulipatam, is the
falling off in the sales
of salt owing to the detention
of the Lumbadies by the
Anicut channels. The
Government request that
the Board will make some
enquiry regarding the cause
here stated, with a view
to

to measures being adopted
for its removal, and will
report the total amount of decrease
that has occurred in the
sales of salt, and whether
any part of
it has been made good by
the sales of the past
month.
